NO. 207—EIGHTY-EIGHTH YEAR VICTORIA, BRITISH COLUMBIA, WEDNESDAY, AUGUST 14, 1946 EIGHTEEN PAGES

War Labor Board To Take No Action On Wage Requests

Pearson Says Only 10c Boosts to Be Passed Until Ottawa Clarifies Stand on Ceilings

British Columbia Regional War Labor Board has on hand a "large number" of applications for wage increases in excess of 10 cents an hour, but until there is some definite clarification from Ottawa of the wage ceiling situation, the board will not deal with them, Labor Minister George S. Pearson stated yesterday.

Speaking as chairman of the regional board, Mr. Pearson said: "The board is a junior partner in a big machine. The National War Labor Board can cancel any decision we make, and above that again is the Federal Minister of Labor."

Mr. Gordon (Price Controller Donald Gordon) and Mr. Mitchell (Federal Labor Minister) say that if wage increases above 10 cents were allowed it would ruin the economy of Canada. What kind of board would ours be if it disregarded those statements and approved greater increases?

Mr. Pearson said the British Columbia Board felt that the restrictions implied in the statements of Mr. Gordon and Mr. Mitchell justified the board in holding increases to a 10-cent ceiling, pending clarification from Ottawa.

"The working people feel that they are entitled to more, but until we get that clarification we won't deal with applications for increases above 10 cents," the minister added.

In the absence of any official communication from Mr. Mitchell, Mr. Pearson declined to comment on newspaper reports that the Federal minister had told Commons Ottawa had given no instructions to the British Columbia Board to put on a 10-cent ceiling.

VANCOUVER, Aug. 13 (CP)—Plans for protesting the British Columbia Regional War Labor Board's 10-cent an hour limit on wage increases will be considered at a meeting here tomorrow.

At a conference of the Vancouver Labor Council (C.C.L.) tonight a resolution was adopted calling for a meeting of council and affiliated union representatives to work out plans "for action" and a "general strike" if necessary.

Will Abolish One-Party Government

Chiang Issues Solemn Pledge

NANKING, Aug. 14 (Wednesday) (AP)—Generalissimo Chiang Kai-shek today promised solemnly to end the Kuomintang (Government) one party rule and institute a constitutional government in China "without delay, despite all obstacles."

The statement, issued on the first anniversary of the surrender of Japan, broke Chiang's silence at the height of China's new crisis brought on by months of stubborn civil strife.

In a lengthy statement Gen. Chiang laid down a six-point governmental program for China. It included a decision to use political means to settle political differences and negotiate all pending problems.

Ask U.N.R.R.A. Be Taken Over

GENEVA, Aug. 13 (AP)—The United Nations Relief and Rehabilitation Administration would be absorbed by the United Nations under a resolution prepared tonight for submission to U.N.R.R.A.'s policy committee.

The resolution follows closely a proposal offered by Canada and supported by the United States and Britain. Canada's delegation to the U.N.R.R.A. council meeting is headed by Finance Minister Halsey and L. B. Pearson, Ambassador to the United States.

Agreed upon by a drafting committee, the resolution, after approval by the policy committee, is expected to go to a plenary session of the council tomorrow for final approval.

The resolution asks the United Nations General Assembly "to establish such an agency or agencies as it deems appropriate, whose functions would include a review of the needs for 1947 and the financing of urgent imports of basic essentials of life" after the termination of U.N.R.R.A.'s operations.

Police Seize Opium Cache

TORONTO, Aug. 13 (CP)—Like a page out of the Fu Manchu mysteries was the way a Toronto police officer today described the scene in a building in Toronto's Chinatown, where a special narcotics squad arrested seven Chinese on a charge of illegal possession of opium.

A few minutes before they burst into the room they termed an illicit opium den, they had sledgehammered their way into a Gerrard Street rooming house and seized opium they said was worth \$30,000 at black market prices. Authorities said it was the largest opium seizure in Canada in ten years. One man was arrested in that raid.

Police said they found in the opium den seven Chinese reclining on cots or on brightly-hued rugs on the floor or seated on wooden chairs. Over the interior hung a blue haze of smoke.

Drew Has "Close Shave"

RED LAKE, ONT., Aug. 13 (CP)—Premier Drew of Ontario today narrowly escaped injury from a 15-pound rock which crashed at his feet after he had set off a charge of dynamite during a visit to a road gang on the new Red Lake highway near here.

The charge was reported to have contained more than 1,000 sticks of dynamite. It blasted rocks more than 400 feet into the air. One, the size of a man's head, fell within a few feet of the Premier.

Washington Tops U.S. Apple Crop

SEATTLE, Aug. 13 (AP)—Washington will again top the nation this year with its apple crop, growing more than twice as many as the next state.

State and Federal agricultural statisticians estimated the crop today at 30,872,000 bushels. Their July 1 estimate was 29,904,000 bushels and last year's crop, 26,800,000 bushels. In second place, Virginia should raise 13,140,000 bushels.

New Fishermen's Wharf to Replace Old Anchorage

Tenders will be called this week for a new fishermen's wharf for Victoria it was announced in Ottawa Monday by Public Works Minister Alphonse Fournier. The upper picture shows fishing boats tied up at their temporary moorings near the Johnson Street Bridge. Lower picture shows the location of the new wharfage at the foot of Erie Street. Pressing for action on the fishermen's wharf in the House of Commons last week Maj.-Gen. G. R. Pearkes said it was necessary to accommodate an additional 220 boats which at present have no permanent place to moor.

Big Road Building, Repair Program Is Forecast for Victoria in 1947

A major program of road repair and construction in Victoria next year is being forecast at the City Hall.

The by-law calling for expenditure of an estimated \$350,000 on roads this year, planned by Ald. J. D. Hunter's public works committee, was abandoned when it became clear that any major road improvement plan would be impractical until the question of a unified transportation system for Greater Victoria had been settled.

Many questions of finance and types of road construction needed in the city will hinge on the results of these negotiations, it is explained.

It is taken for granted that street cars will become a thing of the past and that car tracks throughout the city will either be torn up or covered over.

One of the important points in negotiation of the transportation franchise is expected to turn on who will pay for this work. Removal of the tracks was an eventually not foreseen when the franchise was granted to the B.C. Electric 58 years ago.

When the routes of the new transportation system have been decided, it is expected that many streets will need reinforcement.

Generally speaking, it is hoped to make the repair and reconstruction of routes used by bus lines self-sustaining by using for this purpose revenue from the operating company.

London Utility Strike Settled

LONDON, Aug. 13 (CP)—The Labor Ministry said today an agreement had been reached between union representatives and the Gas, Light and Coke Co. for settling a strike which had curtailed utility services to 1,600,000 homes and 20,000 plants in the London area.

The strike, however, will continue until the agreement is voted upon by a mass meeting of the strikers tomorrow.

Population Soars in U.S.

WASHINGTON, Aug. 13 (CP)—The United States, growing vigorously, has now passed the 141,000,000 mark in population, official figures disclosed tonight.

The cross-over was made during July, it was shown by a census estimate.

Girl Prisoners Flee From Jail

PRINCE ALBERT, Sask., Aug. 13 (CP)—Two female prisoners escaped tonight from the Prince Albert Provincial Jail, after outfitting themselves with clothing belonging to the women's warden, Mrs. M. Bodnar.

R.C.M.P. were told the women were picked up by a truck just outside the prison walls.

The fugitives are Margaret Moran, 19, of Regina, and a 17-year-old juvenile from Melville, Sask.

They are believed to have left the jail about 8:15 p.m., but their escape was not discovered until 9 o'clock. Prison officials believe the pair entered the jail office, helped themselves to a dress and a coat from the staff clothing rack, then leaped out the unbarred office window.

Masked Bandit Robs Theatre

VANCOUVER, Aug. 13.—An armed bandit, operating from a stolen car, tonight held up the box-office of the York Theatre and escaped with \$20, missing the bulk of the day's receipts.

Cashier Lois Fisher told police the man was wearing a stocking over his head.

Letitia Brings War Brides

HALIFAX, Aug. 13 (CP)—The liner Letitia, with 439 war brides and 432 children aboard, docked tonight. She carried Canadian servicemen's dependents from Britain, France and Holland.

Saanich Council Blocks Airport at Gordon Head

Committee Chosen to Survey Routes For Speed Highway to Patricia Bay

Saanich Municipal Council last night blocked the Gordon Head airport proposal and gave the green light to plans for a speed highway to Patricia Bay.

The council took the first step toward implementing Rt. Hon. C. D. Howe's plan for a speed highway to Patricia Bay, when a committee of Councillors Hobbs, Alexander and Oliver, was appointed to survey possible routes.

Transport System Approved

City Votes on Plan At Closed Meeting

Specifications for tender on a unified transportation system were approved with only minor changes by the City Council yesterday afternoon. Alderman H. M. Diggon, chairman of the Greater Victoria Transportation Committee, announced following a three-hour meeting.

By a special vote of the council the meeting was closed after a suggestion from Alderman Diggon, who explained that an undertaking had been made with surrounding municipalities to withhold the terms of the specifications until each council had an opportunity to discuss them.

After the specifications have been considered by the surrounding municipalities, any changes must be referred to the inter-municipal committee to be formed out to the satisfaction of all.

Final approval of each council will then be necessary before steps can be taken to call tenders.

Portugal, Siam Bids Opposed

NEW YORK, Aug. 13 (AP)—The applications of Sweden and Iceland for membership in the United Nations received tentative endorsement in the Security Council's membership committee today, but Portugal and Siam were strongly opposed.

In two lengthy closed sessions the 11-power committee completed preliminary discussions of all the nine applications before it except those of Albania and Outer Mongolia which are being held up pending receipt of more information.

Poland led the opposition to Portugal, while France vigorously objected to Siam—Russia also opposed both Portugal and Siam.

Polish Representative Jerry Michalski charged that the present Government of Portugal was ideologically closely related to the Franco regime in Spain and to the governments which had existed in Germany and Italy before the defeat of those countries.

Forest Blaze Under Control

NELSON, B.C., Aug. 13 (CP)—A five-day battle over rough mountain terrain was nearly over tonight for 280 weary fire fighters in the Koch Creek area, near Vallican, who reported encirclement of a forest blaze was about complete.

The fire started last Friday, sweeping over the wooded districts, but it was held to timber stands of little value. Forest Service officials reported tonight.

The fire hazard, however, continues serious in other sections, with a total of 29 fires now burning, and a closure order in effect in 15 watershed areas, closing them to the public.

Two new blazes were reported in East Kootenay today.

Here's Proof Of the Pudding

DALLAS, Aug. 13 (AP)—L. F. Wilson, mail carrier, complained he had been bitten by a duck at a residence here. The bite raised a welt on his leg, he said.

A skeptical newspaper reporter went with Wilson to the home. There was the duck, standing guard on the front porch. The reporter approached the porch. The angry duck chased him out of the yard.

Then the duck bit Wilson again.

Ottawa Favors Improvements For Nanaimo Harbor, Wharf

NANAIMO, B.C., Aug. 13 (CP)—Sum of \$60,000 for harbor improvements in Nanaimo plus \$52,500 for installation of a new electrical crane at the Nanaimo assembly wharf were approved in estimates brought down in Ottawa last night according to word received by Mayor George Muir, this morning.

A telegram from Maj.-Gen. G. R. Pearkes, V.C. member for Nanaimo announced the news. This is the first step in a \$250,000 program for harbor development here. Plans call for dredging of commercial inlet, installation of fishermen's wharves and a piling around the improved section.

Commenting on the news, Mayor Muir said: "It is a good thing. It is something we have all been working for. Board of Trade, city council, and social clubs. The harbor needs dredging and I am glad to see the Government realize this."

Farmers In Alberta May Strike

Non-Delivery Action Expected by Aug. 24

EDMONTON, Aug. 13 (CP)—More than 26,000 Alberta farmers may stage a non-delivery strike by August 24, Carl Stempfle, president of the Alberta Farmers' Union, said today.

A strike vote is now being conducted among the farmers, all members of the union, and officials said early returns indicated an overwhelming majority had voted in favor of the strike. Yesterday union officials said about one-quarter of the ballots had been returned.

Possibility that the strike might spread to a much larger number of Alberta's 97,000 farm families was advanced by A.F.U. officials. They said strike ballots had been sent to officials of the Alberta Federation of Agriculture and the United Farmers of Alberta for consideration. Organized farmers in the province total some \$5,000.

President Carl Stempfle is even hopeful of drawing support from the 82,000 membership of the Saskatchewan branch, United Farmers of Canada, and from some 2,500 farmers in the Northern British Columbia block around Dawson Creek and Fort St. John. "We are working in very close harmony with both groups," he said.

The farmers are asking for the immediate establishment of a fact-finding board to determine parity prices. Mr. Stempfle would like to see the personnel of such a board consisting of "organized farmers, businessmen, labor and Government representatives."

The U.F.A. has been holding out for a guaranteed price for wheat of \$1.55 a bushel for a five-year period and Mr. Stempfle said today that his union was hoping further price demands would be unnecessary.

The union is also asking for the immediate removal of all increases in machinery prices since the 1944 level, together with satisfactory floor price levels for livestock, poultry and dairy products.

Russia Backs Romania In Easier Peace Plea

PARIS, Aug. 13 (CP)—Romania—once an Axis satellite—tonight pleaded her cause before the peace conference. She supported Russian treaty proposals but opposed most of the terms advanced by the Western Powers and demanded reparations from Germany and Hungary.

Romania was the second former enemy state to appear before the 21-Power gathering. Last Saturday Italy asked for easier peace terms than those proposed in the draft treaties.

Giorgiu Tatarescu, Romanian Foreign Minister, pleaded Russia for asking only \$200,000,000 in reparations from Romania, terming the proposed sum moderate. He also lauded the Russians for others of their proposals.

But point by point, he opposed many of the proposals advanced by the Western Allies, such as the demand for compensation for destruction or seizure of Allied properties.

Then in quick succession, Soviet Delegate A. Y. Vishinsky and Czechoslovakia Delegate Jan Masaryk, in what appeared to be a virtual Eastern line-up behind Romania, lent their support to Romania's plea.

Germans Seek To Emigrate

FRANKFURT, Germany, Aug. 13 (AP)—A "unanimous desire" by millions of Germans to emigrate from the occupied Reich was reported tonight by the United States Army's intelligence division.

Brockington Reports Today On Steel Strike Course

OTTAWA, Aug. 13 (CP).—L. W. Brockington, mediator in the steel strike, will report to the Commons Committee on Industrial Relations tomorrow, it was learned tonight.

Mr. Brockington, appointed by the committee 10 days ago, will outline to the committee, behind closed doors, the discussions he has held with officers of the United Steelworkers of America (C.I.O.) and representatives of the three companies affected by the strike—Dominion Steel and Coal Corp., Sydney N.S.; Algoma Steel Corp., Sault Ste. Marie, Ont.; and Steel Company of Canada, Hamilton.

Today the committee went into camera to decide its future course and to start the job of drafting a report to the Commons. It was decided not to hear further evidence but reports were that discussions on the solution to industrial unrest were of a general nature.

The basic question both the committee and Mr. Brockington were confronted with was whether the steel union, and other groups of organized labor, were correct in their contention that wage increases of 10 cents-an-hour could be granted without smashing price control. Government representatives had taken the position before the committee that in general the line should be drawn at 10 cents.

While the 10-cent figure had been used time and again Donald Gordon, Price Board chairman who was one of the first to mention it, told the committee in a letter yesterday that it was not to be taken as "an exact breaking point."

There have been persistent reports that Mr. Brockington has been exploring the possibility of a compromise in the neighborhood of 12½ cents. Comments by the committee members since it started its investigation July 16 have indicated the likelihood of three schools of thought advocating the 10-cent limit, a 12½-cent compromise or the union's 15-cent demand.

Actually demands made by the unions have run as high as 25 cents but argument has centered largely between 10 and 15 cents. In addition to the 15,000 workers affected by the steel strike there are 35,000 workers involved in other strikes. The committee received a letter

U.S. May Bar Russian Plan In Dardanelles

WASHINGTON, Aug. 13 (AP).—The United States appeared likely tonight to oppose strongly a Russian plan for revolutionizing control of the Dardanelles so that the strategic passage between the Black Sea and the Mediterranean would become a Soviet-dominated waterway.

The Russian Government sent a note proposing the change to Tur-

Britain Asks Co-operation To Stop Illegal Migration

WASHINGTON, Aug. 13 (AP).—The British Government was reported by diplomatic authorities today to have asked the United States to co-operate in trying to stop the illegal migration of Jewish refugees from Europe to Palestine.

State Department officials, it was said, have the British request under consideration.

British authorities are reported to have referred to two specific activities which they contend are going on in the United States in support of the flight of Jews from Europe to the Holy Land:

1. Alleged distribution of propaganda leaflets or other propaganda material in the United States on behalf of the Jewish underground in Palestine.

Exemption Asked On Glass Eyes

OTTAWA, Aug. 13 (CP).—Don Fleming (Progressive Conservative, Toronto) Eglinton urged tonight in the Commons that taxpayers be allowed to add the cost of drugs and medicines to medical expenses allowed as a deduction from income for taxation purposes. He also urged that deduction be allowed for spectacles and artificial eyes.

Acting Finance Minister Abbott said he would "take note" of Mr. Fleming's representations.

key and to the United States and Britain a few days ago. Officials here left little doubt that the United States would stand firm on a policy laid down by State Secretary Byrnes last November which would bar the Soviet Union from establishing military bases in the straits on what now is Turkish territory.

Diplomats expect that the controversy thus beginning over control of the Dardanelles—a longtime objective of Russian foreign policy—will go on for months and prove another serious issue between the Western Powers and the Government at Moscow.

These Are the Most Identical Twins

THERE are identical twins—and identical twins, according to the father of these handsome boys, Billie Gelfi, and Barry Valentine, three years old, of Melbourne, Australia, they are the most identical twins anywhere in the world. So sure is he of his statement that Mr.

Valentine has offered \$25, to be donated to charity, if his boys do not stand out in any identical twin competition. So far the boys have 16 first prizes, two second and one third prize to their credit. Their mother says that even she has difficulty in telling them apart.

OTTAWA, Aug. 13 (CP).—A continuing but slower decline in unemployment was reported by the Labor Department today in a review of Canada's manpower situation that said "strikes are crippling production in many industries and, as a result, material bottlenecks are becoming more serious."

These obstacles, the department said, are "curtailing employment expansion."

There were 180,000 unemployed applicants registered with the National Employment Service August 1 after a decrease of 19,000 in July, compared with a drop of 32,000 in June. The July decline coincided with the addition of 20,000 veterans and a large number of vacationing students to the working force.

Unfilled vacancies totaled 106,000 August 1. This represented a decline of 15,000 from the 121,000 vacancies recorded June 27. The decline reflected these conditions: Industrial unrest was curtailing expansion; available jobs were rapidly being filled; employers were not listing total labor requirements.

In the Pacific region there were 23,000 unemployed applicants and 9,000 unfilled vacancies August 1. The coastal logging industry, not yet fully recovered from the recent labor dispute, might suffer a second serious setback if the fire hazard forced a complete shutdown of major logging operations. The foundry strike, yet unsettled, was affecting production and employment in sawmills and other plants requiring repair parts and replacements.

A strike among hard-rock miners had brought the gold mining and base metal industries to a standstill, except for operations at Trail and Kimberley, which were proceeding under a recent union agreement. The road construction program was hampered by a shortage of skilled shovel men, grader operators and "cat" operators. Contractors, especially those working in mountainous country, would hire only highly experienced men. The supply of laborers was ample. In the building industry, demand for skilled labor rose as lumber supplies increased.

Unplaced applicants and unfilled vacancies (in brackets) in National Employment Service offices August 1 were: Calgary, 2,494 (1,134); Edmonton, 3,842 (1,849); Regina, 1,903 (939); Saskatoon, 1,392 (871); Winnipeg, 9,555 (3,751); Port William, 1,194 (1,198); New Westminster, 2,299 (868); Vancouver, 15,527 (4,899); Victoria, 2,050 (1,097).

Rain and cooler weather prevented further deterioration and helped late-sown crops in many parts of Saskatchewan. However, the rains seem to have come too late in some districts to materially benefit most of the grain crops. Crop prospects are good in the eastern half of the province and in the southern part of the west-central district. In other areas only fair to poor returns are anticipated.

In Alberta crop conditions are generally good though variable in the southeast and only fair in the Peace River district. The outlook for a better-than-average crop is promising in the central districts. Considerable local hail damage occurred in several areas.

Reports from Manitoba indicate that crops withstood the extremely hot dry weather of a week ago. Most of the damage was confined to late-sown oats and barley in the southern half of the province, where the yield is expected to be reduced by about 15 per cent. While some barley is shrunken, the wheat sample appears to be good.

Rain and cooler weather prevented further deterioration and helped late-sown crops in many parts of Saskatchewan. However, the rains seem to have come too late in some districts to materially benefit most of the grain crops. Crop prospects are good in the eastern half of the province and in the southern part of the west-central district. In other areas only fair to poor returns are anticipated.

OTTAWA, Aug. 13 (CP).—The Prices Board said today that "in the face of threats to curtail food container production" it had been obliged to take "drastic action" yesterday by appointment of a controller for lumber and lumber products in the British Columbia Interior and issuance of directives to ensure capacity production of containers for the expected bumper British Columbia fruit crop.

R. H. Livingstone, of the Edmonton office of the timber controller, was appointed controller of lumber and lumber products, British Columbia Interior, and now was en route to set up headquarters at Kelowna. British Columbia box manufacturers were directed to operate their plants at capacity of the available labor and materials to manufacture boxes and blocks; to use all logs and lumber now on hand or acquired in the future for that purpose and to purchase additional lumber to meet all container needs if their normal stocks are inadequate to take care of "top requirements in the Okanagan area."

The announcement said box manufacturers had been negotiating for some months to obtain higher prices for their products.

JAPANESE ARRIVE
YOKOHAMA, Aug. 13 (AP).—The transport General Meigs docked at Uraga today and began debarking 1,378 Japanese from Canadian internment camps. Maj. J. V. Duff of the Eighth Army Military Government said 24,000 Japanese remain in Canada awaiting repatriation.

H. G. Wells, Famous Author Dies After Lengthy Illness

LONDON, Aug. 13 (CP).—H. G. Wells, son of a shopkeeper and a lady's maid who became a famous author, died in his sleep today at the age of 79 after a lengthy illness.

Mr. Wells had been reported seriously ill as long ago as May, 1944, and it was known that he had suffered from diabetes for years. He died at his home in Hanover Terrace, Regent's Park, London.

Born in 1866 in a room behind his parent's china shop in Bromley, Kent, Herbert George Wells was educated in private schools and at the Royal College of Science in South Kensington. Science was the vehicle for many of the stories and fantasies which became best sellers on both sides of the Atlantic and started a vogue for scientific and pseudo-scientific fiction.

Works like his "Outline of History" which sold 500,000 copies in the United States in one year alone, rocketed to the best seller lists and made him one of the wealthiest authors of modern times.

Mr. Wells' 30-odd publications ranged the fields of sociology, political economy and romance. Of his novels, "Mr. Britling Sees It Through," perhaps was the most popular. His "Invisible Man" was a fiction success in the field of imaginative scientific writing, and the basis for a successful film which launched a series of imitations in the "horror-picture" class.

H. G. WELLS

Creek where they will be met by transports.

Purpose of "Exercise North," from Dawson Creek to Whitehorse is to familiarize reserve force officers with conditions on the highway and the surrounding country, with a view to future training schemes on a larger scale.

OTTAWA, Aug. 13 (CP).—A. H. Wray, member of the Alberta Legislature for Banff-Cochrane, said in a statement today he had been refused in his request to appear before the Commons' War Expenditures Committee to testify against the "accepted policy of destruction as pursued by the War Assets Corporation and the services."

He said he had been informed by Gordon Isnor (Lib., Halifax), committee chairman, that it was likely the committee would report to the House without hearing further witnesses this session.

He had come to Ottawa, Aug. 7 on hearing that Dr. J. J. Brown of Toronto was testifying in connection with articles he had written about destruction of war surplus goods.

Mr. Isnor had told him that any evidence he might give would be similar to other evidence the committee had heard.

OTTAWA, Aug. 13 (CP).—General light, heavy rains, accompanied by cooler weather, prevailed throughout the Prairies last week and have helped to prevent further deterioration of grain crops. The Dominion Bureau of Statistics reported today. Prospects appear to be fairly good and some areas anticipate better-than-average yields.

Harvesting is becoming general in the southern districts and is expected to become more widespread in the northern areas during the next two weeks. Sawly infestation has been severe in southwestern Saskatchewan and some local hail damage has been reported throughout the Prairies.

Reports from Manitoba indicate that crops withstood the extremely hot dry weather of a week ago. Most of the damage was confined to late-sown oats and barley in the southern half of the province, where the yield is expected to be reduced by about 15 per cent. While some barley is shrunken, the wheat sample appears to be good.

"IT ACTS QUICKLY" BRITISH MADE

Sugar Beet Mill Planned at Taber

LETHBRIDGE, Aug. 13 (CP).—Philip T. Rogers, of Vancouver, and T. George Wood of Raymond, Alta., announced today that a \$2,500,000 SUGAR beet factory will be built at Taber, Alberta, a subsidiary of the British Columbia Sugar Refining Co. Ltd., of Vancouver.

Contracts for factory engineering have been let to the Stearns-Roger Mfg. Co., of Denver, Colo., and for building construction to the Dominion Construction Co., of Vancouver.

OTTAWA, Aug. 13 (CP).—The Prices Board said today that "in the face of threats to curtail food container production" it had been obliged to take "drastic action" yesterday by appointment of a controller for lumber and lumber products in the British Columbia Interior and issuance of directives to ensure capacity production of containers for the expected bumper British Columbia fruit crop.

R. H. Livingstone, of the Edmonton office of the timber controller, was appointed controller of lumber and lumber products, British Columbia Interior, and now was en route to set up headquarters at Kelowna. British Columbia box manufacturers were directed to operate their plants at capacity of the available labor and materials to manufacture boxes and blocks; to use all logs and lumber now on hand or acquired in the future for that purpose and to purchase additional lumber to meet all container needs if their normal stocks are inadequate to take care of "top requirements in the Okanagan area."

The announcement said box manufacturers had been negotiating for some months to obtain higher prices for their products.

JAPANESE ARRIVE
YOKOHAMA, Aug. 13 (AP).—The transport General Meigs docked at Uraga today and began debarking 1,378 Japanese from Canadian internment camps. Maj. J. V. Duff of the Eighth Army Military Government said 24,000 Japanese remain in Canada awaiting repatriation.

Guilty

... accessory before the fact!

DO YOU KNOW THAT ...

- British Columbia has had an average of 1,600 forest fires every year.
- They have cost an average of \$160,000 to control.
- They destroyed an average of nearly three hundred million feet of timber.
- Seventy per cent. of them were started by a human hand.

THIS MUST STOP!

PREVENT FOREST FIRES!

Reasons Why Some People Have More Money Than Others

The key to managing your dollars is to direct the spending of your money when it comes in, rather than just to keep track of it after it's gone. It's modern money management versus old-fashioned budgeting.

You'll find the answer to your money problems in simple and complete detail in the Household Finance Library of 12 booklets on Money Management.

MONEY MANAGEMENT FOR THE FAMILY—Gives you the fundamentals to follow in handling family finances.

GEORGE CLARK'S CARTOONS ON BETTER BUDGETING—"How not to be a good boy." This booklet will amuse you.

THE BUDGET CALENDAR—The work book for budget planning and simple records.

THE FOOD DOLLAR—How to economize on the food bill without neglecting essential nutrition.

THE CLOTHING DOLLAR—Tells how to plan and purchase the family wardrobe on a limited income.

THE RENTAL DOLLAR—Ways and means of getting the most for your rental dollar.

THE HEALTH DOLLAR—Methods of guarding your health and your pocketbook at the same time.

BETTER FURNISHINGS—Many inexpensive ways to make your home more attractive.

BETTER BUYING PRINCIPLES—How to learn to be a wise buyer.

CREDIT FOR CONSUMERS—How to use credit intelligently and keep out of unnecessary debt.

Now try this for GRAY HAIR

For a professional looking job of hair tinting at home try this time-tested recipe. Mix 1 box Orix Cream, 1 ounce hair run, 1 ounce glycerine. Add water to make a half pint. Your druggist will supply these or mix for you at small cost. Simply comb into hair as directed. Gray, faded, streaked hair gradually takes on new beauty and a natural looking color that does not wash out—is easily maintained. The Orix recipe is easy to use, does not affect permanent color or the scalp. Needs no skin test. You can't go wrong if you follow simple instructions.

Blaze in Popcorn Stand Here Injures Fourteen-Year-Old

Fourteen-year-old Donald Michael was severely burned about the hands and face while operating a popcorn stand on the corner of Yates and Blanshard Streets, city police said last night.

Constables R. Berry and N. Bouchard rushed the boy to the Royal Jubilee Hospital at 10:20 p.m., where his condition was reported to be good.

The flames which filled the interior of the stand were extinguished by the police and Chris Collins, owner of the popcorn wagon.

ISLAND MEN RETURN

Six Victoria and Island army men are listed as being aboard the liner Aquitania which is scheduled to dock in Halifax on Thursday, headquarters of M.D. No. 11 announced last night.

Those arriving are Capt. Edward F. Fair, 341 Island Highway; Supervisor Arthur E. Mourant, Sgt. T. E. Speed, Fairbridge Farm School, Duncan; Srs. A. Birchall, Tolmie P.O.; Cfa. R. W. Hill, 1362 Dallas Road, and Tpr. J. T. Kennedy, Nanaimo.

LIST EXPENDITURES

Total expenditures by the office of the city water commissioner and city engineer last year were \$345,487, according to the annual report submitted to the City Council yesterday by G. M. Irwin, city engineer.

presenting a document purporting to be a prescription in an effort to obtain morphine from a druggist. He was remanded for one week without plea or election. Bail was set at \$1,000.

COMPLETE STAFFS

Hiring of new teachers by the Greater Victoria School Board has been virtually completed, according to J. F. K. English, municipal school inspector. Teachers now number about 260, or ten more than last year. Increase of the preliminary staff by five and reduction of the size of classes to approximately 36 each accounts for the increase. There are now 127 teachers in high schools and junior high schools, eight in preprimary and the remainder are in elementary schools.

FREE TRANSPORTATION

Being a policeman or fireman has its minor compensations, it seems. Vancouver Island Coach Lines notified Spanish Municipal Council last night that in future policemen and firemen in full uniform will be allowed free transportation, effective last Thursday, on company lines which include Gordon Head, Gorge, Lake Hill, Douglas-Agnes, Ralph and Cadboro Bay.

DANGER IN SWIMMING

Children should not be allowed to swim in water where pollution is suspected.

This warning was given yesterday by Dr. R. A. Smilie, assistant medical officer, who stated that this was considered to be the most common way in which the infection of infantile paralysis is spread. He pointed out that while there were no cases of the disease here at present, there was a constant danger that a contact or carrier might bring the disease here.

PERFORMANCE GUESTS

Delegates to the 1946 Pacific Drama Conference were guests at a morning performance yesterday at the Victoria Little Theatre presented by Phoebe McKellar, of Westmount, Quebec.

Mrs. McKellar studied at the Royal Academy of Art in London and has toured Canada presenting scenes from Shakespeare in schools and colleges. Yesterday she was seen in sketches from "As You Like It."

Most effective among her brief characterizations was that of the noisy, apple-munching Audrey, with hair and clothes awry and gestures awkward and scrawny. In complete contrast to the country wench was the twisty court jester Touchstone.

ORNAMENTS STOLEN

Charles Rippling, 944 Poul Bay Road, reported yesterday that gnomes and other garden ornaments had been stolen from his garden. Shrubs were torn down and the garden otherwise despoiled, apparently by youthful vandals.

FIRST TRAIN ARRIVAL

Miss F. A. Brown, 1039 Cook Street, brought to The Colonist office yesterday, a small piece of the red silk ribbon broken by the first train to arrive in Victoria over the E. & N. Railway.

The ribbon bears the date, March 29, 1888, and Miss Brown recalls being present on the occasion with her father and other members of her family.

TO PRESENT BRIEF

Final draft of a joint brief on public ownership of a transportation system, which will be presented to the City Council tomorrow at a meeting, at 7:30 p.m., was prepared last night by a committee of members of the Victoria Trades and Labor Council, the Victoria Labor Council and the Vancouver Island Joint Labor Conference.

The brief will be put into final form and presented to council members for study today, it was indicated.

At Approved, W.L.B. Rates, Carriage Setter, \$1.12 Per Hour, Shoe Repair Man, \$28.00 to \$30.00 Week, Stonecutter, \$7.00 Per Day.

Cruiser Uganda Returns Today Will Start New Cruise Aug. 21

H.M.C.S. Uganda, due here at 10:30 a.m. today from a training cruise that took her as far north as Prince Rupert, will be away again from August 21 to September 27 on another cruise in British Columbia, Alaska and Aleutian waters. Rear Admiral E. R. Mainy, O.B.E., commanding officer, Pacific Coast, announced yesterday.

Uganda will dock at the Government Wharf at Esquimalt this morning, and arrangements have been made for relatives and friends of the ship's complement to have access to the wharf to welcome her return.

H.M.C.S. Crescent will sail Monday to embark the Governor-General, Viscount Alexander, at Twin Island, near Campbell River, where the viceregal party has been spending a holiday. The destroyer will take the party to Prince Rupert, with an overnight call en route at Ocean Falls. There the viceregal party will spend one night ashore.

On the cruise which will end today, Uganda, commanded by Capt. Kenneth Adams, of Victoria, proceeded north through the Inside Passage, calling at Nanaimo, Duncan Bay and Alert Bay, and returned from Prince Rupert by the outside route, with calls at inlets along the West Coast of Vancouver Island.

Crescent, commanded by Lieut.-Comdr. P. Nixon, accompanied Get 'em red hot at the L.P.P. Picnic, Elk Lake, Sunday, August 18.

Screen Actress and Son on Visit Here

In private life she's Mrs. Hal Wallis, wife of the head of Hal Wallis Productions, but to her fans she's still Louise Fazenda, one of the outstanding comedienne and character actresses in Hollywood's brief history.

Mrs. Wallis and her 13-year-old son arrived in Victoria yesterday for a week's visit before proceeding Up-Island where they will fish for the huge Tye salmon in the waters of Port Alberni or at Campbell River. Mrs. Wallis said she took this opportunity to visit Victoria before going to England where Mr. Wallis will spend the next two years producing pictures.

"I always love my visits to Victoria," she said, "It's such a delightful change." She added, however, that she has noticed a great change in this city since her last visit here in 1941.

"It's now a big city," she said, "I noticed that as soon as the ferry docked."

Rumors that she and her husband are planning to purchase property here and build a home are unfounded, she said yesterday. "Mr. Wallis' business keeps him too much in Hollywood for that," she stated.

"People are hungry for stage productions," Mr. Penny said. Establishment of city-operated theatres for repertory companies in major centres of Canada would help answer this need and at the same time provide a professional opening for many young actors whose talents were at present wasted or drained to the United States.

British Columbia was far ahead of the rest of the Dominion in amateur drama, Mr. Penny said. Little Theatre's "Billie Spirit" presentation was "of almost professional standard," he thought.

LEWES, Sussex, England (CP)—Two dogs from Telcombe, near here, killed 36 sheep, enough to provide 2,644 meat rations for a week.

Cruiser Uganda Returns Today Will Start New Cruise Aug. 21

Uganda on part of the return voyage.

CRUISER WILL CALL IN UNITED STATES WATERS

With between 130 and 200 trainees aboard, Uganda's next cruise will include several calls in United States territorial waters. She will proceed to Dutch Harbor, where the cruiser will again be met by Crescent, and together they will visit Kodiak and Juneau, before re-entering Canadian waters at Prince Rupert.

Both vessels will return to Esquimalt by the inside passage. While there will be other training cruises this year, none has yet been definitely planned, Admiral Mainy said. H.M.C.S. Ontario, now undergoing long refit, will not go to sea this year. The cruiser is waiting enough men to commission her.

Next to be re-commissioned will be H.M.C.S. Crusader, sister ship to the destroyer Crescent. Now at Esquimalt, Crusader will be ready in about a month.

Two other naval vessels are due here from Halifax August 25. They are the tug Clifford and the supply ship Laymore. They will proceed through Panama Canal.

H.M.C.S. Warrior aircraft carrier to be based on this coast, is due here in December, with two squadrons of aircraft, under the recently announced plan to station one carrier on each coast. While Warrior is in port her aircraft will operate from a section of Patricia Bay air-drome to be allotted for that purpose.

Esquimalt Bus Service To Commence Sunday

Operation of the new bus service between the city and Esquimalt will commence on Sunday morning, officials of the B.C. Electric Railway Co. Ltd. announced yesterday.

The new service, which will become the main Esquimalt line, will proceed direct from the city centre to the Naval Dockyard, via Johnson Street Bridge and extension, then over the present street car route from Russell Street to the Dockyard. Street cars will continue to operate but only as far as Head Street, where a cross-over track is now being installed to permit cars to return from this point.

Weekday service will start at 6 a.m. from Yates and Broad Streets and a straight twelve-minute service will be maintained throughout the day until 12:30 a.m. H. Rowland Halls, traffic superintendent, announced. First bus for the city will leave the Dockyard at 6:10 a.m. and the last at 12:34 a.m. In addition to the regular service, "owl" buses will leave the city at 1:12 a.m. and 1:48 a.m. and return from the Dockyard at 1:30 a.m. and 2:06 a.m.

On Sundays the service will start at 7 a.m. from the city, with a 30-minute schedule until 12:12 a.m. First Sunday bus from the Dockyard to the city will leave at 7:18 a.m. "Owl" buses will leave the city every Sunday at 12:38 a.m., 1:12 a.m. and 1:48 a.m.

There will be no change in the Colville Road and Munro Street feeder service on weekdays. On Sundays this service will connect with every other main line bus at Head Street.

"Monty's" Guard Rehearsing Here

Visit to Victoria on September 4 of Field Marshal Viscount Bernard Montgomery will mean extra money for the stalwarts of The Canadian Scottish Regiment who act as his guard of honor.

Capt. V. C. Moore, adjutant, announced yesterday on behalf of Lt.-Col. R. D. Travis, commanding officer, that one day's pay of rank will be granted to members of the Scottish reserve or active, who are able to take part in the ceremonial on the morning of Wednesday, September 4.

Following the ceremonial, refreshments will be served in the Bay Street Armoury to all participants. Ex-members of the Scottish Intending to take part are asked to turn out for rehearsal now being held at 7:30 p.m. on Thursdays and Mondays.

FIRST POSTCARDS

The use of postal cards was first suggested in 1883 by the director of the Royal Prussian Post.

DON'TS FOR SWIMMING:

Don't swim for at least one hour after eating a meal.
Don't swim alone or to a distance at which you are not able to reach means of support in case of exhaustion.
Don't dive into water unless you are sure of its depth and that it contains no submerged objects on which you might strike your body.
Don't swim or wade in swiftly flowing rivers or in water that is affected by strong currents or tides.

DON'TS FOR BOATING:

Don't stand up in small boats.
Don't jump from one boat to another.
Don't take chances on the weather in a small boat or canoe.

Bertrand Explains Tie-Up False Canadian Passport

OTTAWA, Aug. 13 (CP).—Postmaster General Bertrand today identified himself as the Cabinet minister who, in 1936, recommended that William Brandes be granted Canadian naturalization papers, but said he had been "deceived" as to his identity by a man who had worked on his behalf in his successful election campaign of the previous year.

He gave the Commons a 1,200-word explanation of his part in an incident first made public by The Montreal Gazette which contended yesterday that Brandes, allegedly formerly known as William Steinberg in New York, had obtained a false passport after only two weeks in Canada and had gone to Britain as a Russian agent.

The Gazette said Fred Rose, labor Progressive member of Parliament for Montreal-Cartier, "and a present member of the Cabinet" allegedly obtained false citizenship papers and a false passport for Brandes in 1936. Rose has appealed a sentence of six years in penitentiary for espionage.

Mr. Bertrand, Liberal member for Montreal - Laurier, said he had signed only one document on Brandes' behalf, and he had done that with "nothing but absolute good faith."

That one document was a letter to "the officer in charge of naturalization" in Ottawa, and in it he said that Brandes was "absolutely recommendable from all angles."

Mr. Bertrand denied that Rose also signed the letter.

His letter said Brandes had been living in Montreal "ever since he entered Canada at the age of eight."

He identified him as a "professor of the Hebrew School of Montreal."

Those facts, he said, came from one Aaron Marcovitch, who "had succeeded in convincing me of his usefulness," and who "worked in my committee all through the elections," and from Brandes himself "whose story was plausible."

Polio Deaths Total 30 Across Canada

By the Canadian Press

Five more deaths from infantile paralysis were reported in Canada to bring the total so far this year to 30.

A survey by The Canadian Press showed that up to a late hour last night another 388 persons were being treated for polio, an increase of 22 in the previous 24 hours.

Five of the 30 deaths were reported yesterday—four in Montreal and one in Ontario.

Of the 22 new cases, 14 were in Montreal, where the total now is 229 cases being treated; three in Ontario, three in Nova Scotia and two in New Brunswick.

Provincial totals, with deaths in brackets, are as follows: Nova Scotia, six (1); New Brunswick, 11; Prince Edward Island, nine (2); Quebec, 250 (20); Ontario, 78 (7); Manitoba, 10; Saskatchewan, five; Alberta, 21; British Columbia, none.

In Halifax army personnel were advised in district orders to keep children from the city's swimming and wading pools on the Halifax Commons Playgrounds because of the "high degree of bacterial pollution."

NEWCASTLE - UNDER - LYME, England (CP).—Because the mayor's chain of office has snapped at public functions, the council of this Staffordshire town has decided to snip off some of the inscribed medallions and tablets with which it is adorned.

Foulkes Says Soldiers Old At 25 Years

LONDON, Aug. 13 (CP).—Canada should be represented at each of Field Marshal Viscount Montgomery's semi-annual conferences for the Commonwealth chief of staff and army commanders, Maj.-Gen. Charles Foulkes, of Kingston, Ont., chief of the Canadian general staff, said today.

Such attendance would ensure that the Canadian Army was constantly in step with military thought in Britain, Gen. Foulkes said in an interview. Gen. Foulkes attended yesterday's Imperial general staff meeting at Camberley, Surrey.

"What we and the British are trying to do is to make soldiering as attractive as possible for young men," Gen. Foulkes said.

"In building the new force, which is going to be an airborne brigade group, I would rather recruit 18-year-olds from high schools than too many old soldiers over 25," Gen. Foulkes said. "We are still not pushing that phase of our program."

Gen. Foulkes said it is important that the Canadian Army keep abreast tactically as well as administratively. As an example he referred to tactical exercises tomorrow when the British Army's commanders will plan assault crossings of the Thames for army groups, pretending that the river is the Rhine or the Irrawaddy.

"Never again will we have four years to organize, and if need be, we must be ready to do a job on a moment's notice," the general said.

The Canadian Army already had introduced many of the reforms for the ranks which are proposed by Lord Montgomery, chief of the Imperial general staff, and "perhaps we are just a little bit ahead in places."

The prewar Canadian soldier had plain dress for his parade hours and catering had long been given first consideration in the Canadian Army. Plans for new barracks with individual cubicles now were awaiting approval, but "we cannot compete with houses for veterans."

Gen. Foulkes leaves by air for Canada Saturday.

Quake Victims in the Dominicans Pray for Deliverance

Matanzas, on the northeast coast of the Dominican Republic, has felt the full force of the devastating earthquake which hit the country. Many buildings which withstood the previous shocks, crumbled during the 40-second tremor. Devout natives, led by a priest, centre, gather together to pray for deliverance. At left a man in the group holds an infant in his arms during the service.

Public Hearing Set for Friday

VANCOUVER, Aug. 13 (CP).—Opening of a public hearing in a dispute between the Street Railway Union and the British Columbia Electric Railway Company, scheduled for Wednesday, has been postponed until Friday.

The commissioner, J. Edwin Eades, announced today that the postponement was being made to accommodate the union's representative, S. H. B. Melnikoff of the National Labor Bureau, San Francisco.

Dr. Lawrence B. Jack, secretary of the B.C.E.R., will appear for the company at the hearings, which resulted from the employees voting to reject an agreement offered by the company covering wage increases, hours of work and working conditions.

Union officials said only a few points in the agreement are expected to be brought before the commissioner for conciliation.

Global Air Line Planned From New York to Alaska

EDMONTON, Aug. 13 (CP).—The combined edition of The Edmonton Bulletin-Edmonton Journal said today in a newspaper story that the new global air route of Northwest Airlines from New York, Minneapolis and St. Paul through Edmonton to Anchorage, Alaska, should be in operation within 90 days.

Western Airlines also is making hasty preparations to extend its present run from the United States to Lethbridge, Alta., so as to take in Edmonton as a terminal point, the paper said. It will link here with Northwestern Airlines, Canadian Pacific and Trans-Canada.

Both airlines operated through Edmonton during the World War. Northwest Airlines flew some 21,000,000 miles through here to the Aleutians during the war.

Croft Hunter, president of Northwest Airlines, said the new schedule should be in operation before the end of the summer, with four-engine DC-4 planes flying through Edmonton on their way to Alaska. The paper reported that Boeing

Co-operative Tax Exemption Will Apply to New Business

OTTAWA, Aug. 13 (CP).—The three-year tax exemption that is to be granted hereafter to new co-operatives will apply also to such co-operatives if they take over an existing business, Acting Finance Minister Abbott told the Commons today.

He made the announcement on moving an amendment to the bill amending the Income Tax Act. The measure will bring into effect the tax changes announced in the budget brought down June 27.

Mr. Abbott said representations had been made to the Government urging that the tax exemption be allowed a new co-operative if it took over an existing business establishment. It was found possible to meet the requests and he felt there was sufficient protection in the act to prevent any business from operating under the guise of a co-operative in order to benefit from the tax exemption.

He also moved an amendment to a section of the bill dealing with credit unions. The amendment was designed to make the section less restrictive. It was pointed out, said Mr. Abbott, that a number of credit unions lend money to fishing and other co-operatives and by their charter or by-laws they are prohibited from lending money to other than members.

"We do not wish unduly to prevent that type of business," he said. These changes were made after the House voted 84 to 84, to go into committee of the whole to study the bill clause by clause. The contentious section covering the taxation of co-operatives finally was passed after C.C.F. members unsuccessfully fought to have the tax exemption made retroactive to 1944.

Numerous requests for changes in the Government's taxation policy were heard during debate on the Tax Bill. Several Ontario members urged greater tax relief for gold mines, hard hit by the Govern-

ment's action in raising the value of the Canadian dollar.

John Braken, Progressive Conservative leader, added his protests at the night sitting to the manner in which the Government planned to impose the taxes on co-operatives.

Robert Fair (Social Credit, Battle River) heard Deputy Speaker Ross Macdonald rule out of order an amendment that would have allowed farmers and fishermen to average their income over a five-year rather than a three-year period for income tax purposes.

Pioneer Resident Dies, Aged 100

KAMLOOPS, B.C., Aug. 13 (CP).—In her 100th year, Mrs. Nancy McPherson died Tuesday at her home at nearby Rayleigh Mount. Funeral services will be held Thursday afternoon.

Mrs. McPherson would have been 100 on her next birthday, February 2, 1947.

With her husband she came to Kamloops in 1917. Her husband died 25 years ago. She was born in Huron County, Ontario, and spent her childhood in a wilderness cabin.

Two sons and four daughters survive: E. McPherson, Lantzville, V.I.; James, of Rayleigh Mount; Monte, and Mrs. J. R. Hall, Winnipeg (who are twins); Mrs. L. Macdonald, Dauphin, Man., and Mrs. A. D. McLeod, Rayleigh Mount.

Japanese Gloom of Year Ago Now Replaced by Optimism

By YOSHIO MATSUOKA. (Yoshio Matsuoka, American-born, was a graduate of the University of California, lived in Tokyo throughout the war. He now is a member of the Associated Press Staff in Tokyo.)

TOKYO, Aug. 13 (AP).—The hot August sun blazes on Tokyo today as it did a year ago, but it looks upon a vastly different city—both physically and spiritually.

No one who lived in Tokyo a year ago could have imagined then the changes which were to come. Most of them are good and a majority are due to the occupation.

A year ago Tokyo's bomb ruins lay neglected. Dead power lines hung like vines across many street car tracks. Shops were open, but with nothing to sell.

The capital was wrapped in gloom. The same bomb ruins are still here but they are being cleaned. New, modest homes are being built.

The Ginza—main shopping district—has blossomed with shops and goods. You can get anything if you have the money.

Downtown streets, once shunned in fear of air raids, are jammed day-long. Once-shabby office buildings have been renovated for use as occupation force billets; the bill for renovation is paid by the Japanese

through taxes. But the Japanese feel that eventually the buildings will be returned and in better shape than when they were taken over.

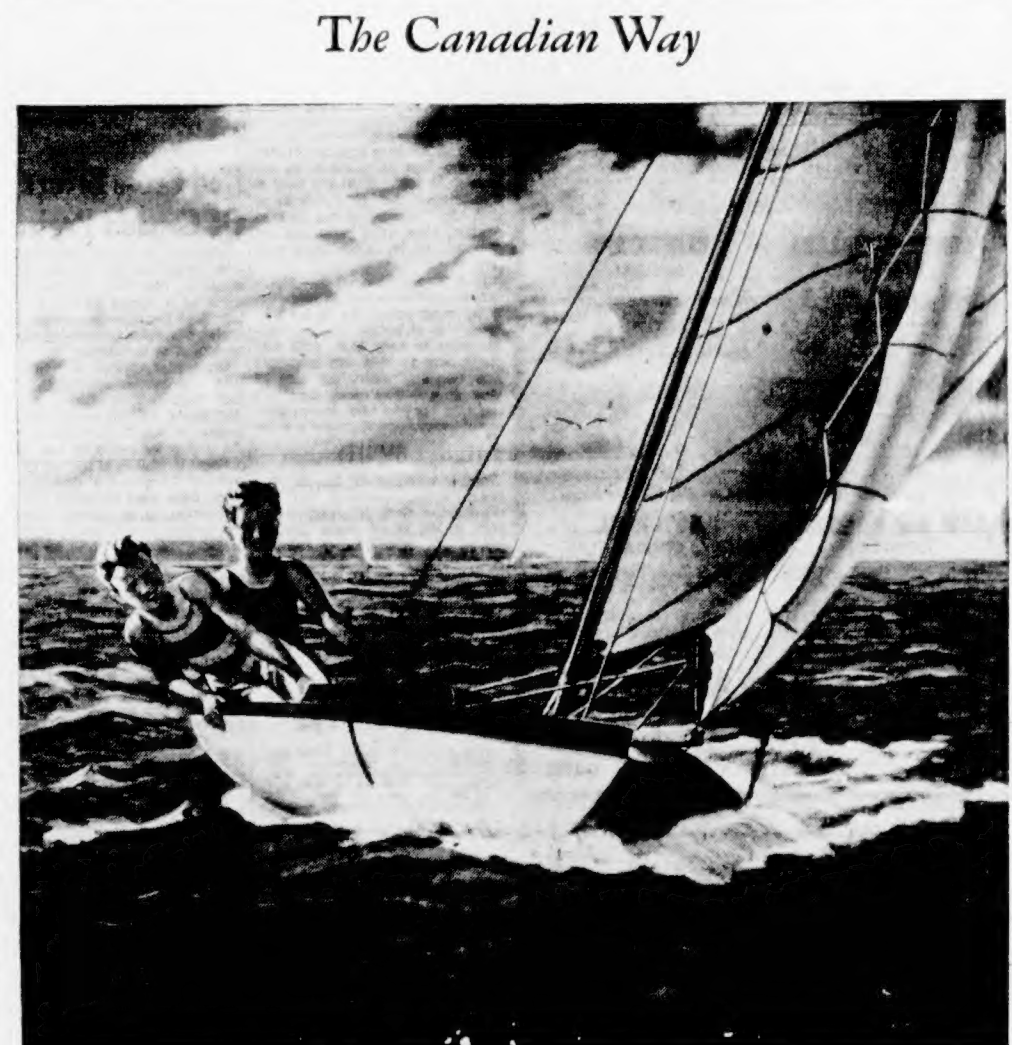

The battered street cars of the past still run, flanked by shiny American buses for Allied personnel, sleek convertibles brought by families of military personnel, and by jeeps. Traffic never has been so heavy.

Spiritually the gloom of a year ago has been replaced by optimism. But it is not true that the people were overjoyed to hear surrender announcement. More than any joyousness that war was over there was a sadness that Japan was no longer one of the world's powers.

The blow was the hardest on the older people, who saw Japan rise from international insignificance to become one of the balances of world power in 1940, and they felt their country's efforts to be an important part of the world had been smashed.

Today, among the common people there is optimism. When a Tokyo family squats on the straw mat floor to a dinner of "MacArthur's Rations" they look back over the year and say: "Who would have thought defeat would be like this? Who would have thought the enemy was like this?"

Made it a date. Sunday, August 18, L.P.P. Picnic, Elk Lake. ***

The Spirit of Self-Reliance

He's racing with the wind, skimming the blue waters, sharing the tricky manoeuvring of the sail-boat with his friend.

He's learning to rely on his own skill . . . his own strength . . . his own particular talents . . . in short, on himself.

His striving for self-dependence today, as a boy . . . and his confidence in his own judgment and faith in his own ability tomorrow, as a man . . . are the beginning and ends of the true Spirit of Self-Reliance . . . a proud characteristic of our Canadian Way of Life.

Hiram Walker & Sons, Limited.

Social and Personal

Mr. and Mrs. P. B. Moss, of Portland, are the guests of Dr. and Mrs. C. B. Moss, 1180 Cloverly Terrace. They will be holidaying in the city for a week.

Mrs. John Hamilton Stubbs left by plane yesterday for Wynwood, Pennsylvania, where she will visit her sister, Mrs. Helen M. Baldridge, for several months.

Mrs. W. G. Stone, 1129 Empress Avenue, has returned to her home after spending a month's vacation with her husband in the Interior of British Columbia.

Miss Pearl Warwick has returned from Vancouver where she has been associated with the Clarke & Stuart Company for several years. She will be staying with her parents until her marriage at the end of the week.

Mr. and Mrs. A. Haggart, Cook Street, with their son-in-law and daughter, Mr. and Mrs. J. MacIvor, are leaving this morning for Duncan to attend the marriage of their son, Mr. G. James Haggart.

On Monday afternoon, Mrs. G. R. Twamley, 2827 Cedar Hill Road, was at home to the following friends from out of town: Mr. Peter Morrison, Lander; Mrs. D. Rossen, Webb, Sask.; Mrs. M. McKenzie, Toronto; and Mr. Morrison Smith, son of Dr. L. Smith, Durham, Ontario.

Dr. John G. Fox, Los Alamos, New Mexico, has arrived in the city to spend his vacation with his mother and sister, Mrs. J. G. Fox and Miss Edith Fox, 2218 Brighton Avenue. Dr. Fox was accompanied by a friend, Dr. W. M. Jones, of Los Alamos and San Francisco, who is making his first visit to Victoria.

Mr. Leslie Vivian, 1131 McKendrick Avenue, and Mr. George Sinclair, 1228 Oxford Street, have returned home after a two weeks motorcycle trip to Spokane, Banff, Calgary and Red Deer, Alberta. They visited Mr. Vivian's uncle and aunt, Mr. and Mrs. George McMillan, Condon, Alberta, and his cousin, Mrs. John Lloyd, Leslieville, Alberta, and were also the guests of Mr. Sinclair's cousin, Mr. George Sinclair, at Crescent, B.C.

Mr. and Mrs. Earle Brown are visitors in the city from Riverside, California, and are spending a week

as the guests of Mr. and Mrs. O. M. Brown, Lansdowne Road. Mrs. Brown, the former Winifred Beckwith, was honored with her husband when her cousin, Mr. Harold A. Beckwith, and Mrs. Beckwith entertained at dinner at their home on Oliver Street. Mrs. Albert Middleton, Quadra Street, was hostess at a luncheon in honor of Mr. and Mrs. Brown. On Thursday evening Miss Queenie Tabor, Vining Street, will be hostess at an informal bridge party, and on Saturday evening Mr. and Mrs. R. M. McIntosh are entertaining for the California visitors at an alfresco supper party at their home at 224 Lake.

Re-establishment For Women Vets

OTTAWA, Aug. 13 (CP).—When girls in uniform chewed the fat during the war they planned on using their re-establishment credits for everything from setting up as undertakers to learning to make crabsapple butter commercially, but their final decisions during the last year have been for the traditionally feminine trades they knew something about.

The Veterans' Affairs Department, which handled 40,000 individual cases of feminine re-establishment up to the end of June, reported today that cupid had taken a hand in the work and thousands of the girls had used their credits for furniture and household equipment.

Re-establishment of women veterans appears to offer few of the difficult complications connected with the re-establishment of men. Most of the girls know what they want, are quick to make up their minds and stick to their decisions. Although only 31 women have used their credits to buy a business, 1,062 have entered colleges and universities and half that number are taking semi-professional training in nursing, art and music. These figures are up to the end of July.

Of the 2,389 former servicewomen who are continuing their education, the greatest number signed up in commercial courses. Hair styling and dressmaking classes also are heavily attended and a number of the graduates in these two trades plan to open up little shops of their own.

Gwen Hay Weds Richard Donaghy

The marriage of Gwendolyn Elizabeth, second daughter of Mr. and Mrs. Thomas R. Hay, 1124 Johnson Street, to Richard John Donaghy, eldest son of Mr. Joseph A. Donaghy, 214 Sims Avenue, and the late Mrs. Donaghy, was solemnized by Reverend Donald L. Gordon at a pretty ceremony last Saturday evening at the Church of Our Lord. The couple stood between tall baskets of pastel gladioli and ferns for the service, organ music for which was provided by Mr. Philip Hughes. The bride, escorted by her father, was attired in a becoming, blue, pink dressmaker suit of fine wool crepe with jabot of heirloom lace and a headpiece of pink ostrich tips and veiling. A corsage bouquet of Tallman roses completed her ensemble.

Miss Peggy Hay, wearing a chocolate brown gabardine suit with beige accessories and gardenias en corsage, was her sister's only attendant. The best man was Mr. Frederick Donaghy, brother of the groom. Ushers were Mr. William A. Hay, brother of the bride, and Mr. Vincent Patterson.

Following the ceremony a reception was held at the Orange Hall, where an archway and baskets of pink and white gladioli formed the setting. Mrs. T. R. Hay, wearing a turquoise afternoon dress with navy blue accessories, and Mrs. Frederick Olds, Vancouver, sister of the bridegroom, in a blue afternoon frock with brown accessories, assisted the couple in receiving. Both wore corsage bouquets—of gardenias and sweetheart roses. The three-tiered cake surrounded by tulle centred the table which was covered with a crocheted cloth and decorated with gypsophila and purple heather. For a honeymoon in Vancouver and in Washington, the bride donned a dark brown topcoat with corsage bouquet of gardenias and roses over her wedding ensemble. The couple will reside in Victoria.

Husband Runs About

By ANNE HIRST

"Dear Anne Hirst: I love my husband very much, and I'm trying so hard to be happy with him. We have been married for three years and have two children, the youngest still an infant.

"A short time ago I learned my husband was seeing another girl—I saw them together. He promised I wouldn't happen again, so I forgave him and have tried to forget. But now, since the baby was born, he's up to his old tricks—going to dance halls and drinking and leaving me home alone.

"I know he cares for me and the children; but we can't be happy like this. Please tell me what to do—A LONELY WIFE."

Don't quarrel with your husband. Whether you are in the right or not, it only makes hard feelings between you and then he wants to go out more than ever. Until the baby is a little older and you're able to go with him, the best you can do is to see that when he is home, you are pleasant and he enjoys being with you.

Plan to entertain on his nights off—his friends as well as your own. If he wants quietly, try to see that he gets it at home. Put your imagination to work and you'll find many ways to keep him interested and content. Don't tell him of your designs—just work them out tactfully. If one idea doesn't succeed, try another until you get the results you want.

Stop worrying. It will cramp your efforts. Save all your energy for your new plans and surprises, and then have the patience to see them through.

Engagements

Mr. and Mrs. J. N. Rowell, 2680 Beach Drive, announce the engagement of their daughter, Norma May, to Mr. Ernest Elmer Gordon, son of Mr. and Mrs. C. Gordon, Wapella, Sask. The wedding will take place September 4.

Mr. and Mrs. C. S. Samuelson, 2848 Scott Street, Victoria, announce the engagement of their daughter, Esther Marguerite Heyes, to Rexford Daykin, son of Mr. and Mrs. R. S. Daykin, Victoria. The wedding will take place at Christ Church Cathedral, August 31, at 8 p.m.

Announcements to appear under this heading will be accepted at The Colonial Advertising Department. Minimum charge \$1.50 for 10 lines and 10¢ for each additional line.

Principals in Saturday Wedding

Mr. and Mrs. Herbert William Pigot were married last Saturday evening, August 10, at St. Saviour's Church, with Rev. Douglas Keddell performing the ceremony. The bride was the former Netta Doreen Davies, only daughter of Mr. and Mrs. George Davies, Otter Point, B.C.

ceed, try another until you get the results you want. Stop worrying. It will cramp your efforts. Save all your energy for your new plans and surprises, and then have the patience to see them through.

Guide Delegates Leave for France

TORONTO, Aug. 13 (CP).—Mrs. Gordon Conant of Toronto and Mrs. Shelagh Giamelli of Barrie, Ont., Canadian delegates to the Girl Guides' World Conference at Edin, France, in September, left last night for London, England, where they will be guests of Chief Guide Lady Baden Powell.

They will attend a training conference at the Girl Guide's international chalet at Adelboden, Switzerland, prior to their departure for the world conference.

Red Cross Effort Of Canada Praised

LONDON, England, Aug. 13 (CP).—Dr. Fred Routley, national commissioner, Canadian Red Cross Society, at a recent luncheon, paid tribute to the Canadian people who during war years contributed nearly \$90,000,000 to the society.

Dr. Routley, who has been in England and Switzerland for the last four weeks attending meetings of the Board of Governors of the League of Red Cross Societies and the conference called by the international committee of the Red Cross, spoke of the women of Canada who made more than 50,000,000 articles of clothing to be shipped through the society to the needy countries overseas. He was high in his praise of the International Red Cross in Geneva, through which medium the Canadian Red Cross was able to have more than 15,000,000 prisoners-of-war parcels distributed to the camps abroad.

Lord Bennett, chairman of the overseas advisory committee, spoke of Dr. Routley as "the leading authority on Red Cross work in Canada for the past 25 years."

Menu for Today

Breakfast: Canioulou, ready-to-eat cereal, top milk, French toast, coffee.

Luncheon: Cream of mushroom soup, egg salad, tomato aspic, corn muffins, orange blanc mange, iced tea.

Dinner: Cream of potato soup, platter of luncheon meats, carrots and peas, baked potatoes, spinach and beet salad, blueberry pudding, coffee.

FRESH SPINACH AND BEET SALAD

One and one-third cups finely-chopped spinach, 1 cup finely-chopped beets, 1/4 cups finely-chopped onion, 2 tablespoons French dressing, 1 head shredded lettuce. Marinate vegetables with French dressing. Chill and serve.

Last of Women's Army Arrives From Overseas

OTTAWA, Aug. 13 (CP).—When Maj. Mara Ada Morrison, of Montreal, and Pte. Beatrice O. Charles, of Halifax, land at Halifax, August 15, there will be no more members of the five-year-old Canadian Women's Army Corps serving overseas.

The corps, which celebrates its birthday today, at one time had more than 2,000 girls overseas and a total enlistment of 21,614. Now there are only about 1,500 left in the service and this remnant is due for demobilization by the end of September.

The girls donned khaki during the war to release the equivalent of a full division.

C.W.A.C. enlistment included girls of ten nationalities, including Chinese, Russians, negroes and Canadian-born of German extraction. The Toronto area provided the greatest number, with Vancouver and Winnipeg in second and third place.

Other recruits came from the Far Canadian North to enlistment centres. Enlistment was for the duration of hostilities and one year thereafter.

Members of the corps overseas received 62 awards for exceptional service and 16 others were mentioned in dispatches. At home two C.W.A.C. other ranks received commendations for bravery during an accidental fire.

Solarium Party Today

Today will be open house at the Queen Alexandra Solarium, when all friends and members of the public who are interested in the work being done for crippled children are invited to attend.

This will be the second Summer garden party to be held replacing the previous Christmas party. The first party was held on "V-J" Day last year and proved so popular that it was decided to make the Summer party an annual affair.

Transportation facilities have been arranged through the Vancouver Island Coach Lines and those who wish to avail themselves of this service are asked to be at the Coach Lines Depot at 1:15 p.m. Children under 16 are not allowed to attend.

Societies

Island Temple No. 2, Egyptian Sisters, will hold a sewing bee on Thursday evening at the home of Sister Grace White, when she and Sister Doris Blake will be hostesses.

Carnie Rebekah Lodge No. 45 will meet in the I.O.O.F. Hall, Douglas Street, on Thursday at 7:30 p.m. The Rebekah Degree will be conferred.

Princess Patricia Lodge No. 228 will hold a social meeting on Thursday at 7:30 p.m. in the Boleymakers Hall, when a mock auction will be held and plans for picnic will be discussed.

Victoria Chapter, No. 25, Women of the Moose, met recently with Mrs. Helen Parker presiding. Junior Regent Mrs. V. Warren gave a resume of her recent trip to Moose Heart, Illinois. Plans were discussed for the forthcoming bazaar. Mrs. Rose Williams is to be the convener. It was decided that the social dances held every month would still be a feature of the winter program. The joint Moose bazaar picnic will be held at Mt. Douglas Park on August 18. Those wishing transportation are asked to phone E 1276, O 5972 or B 3464 before August 16. There will be a 500 card game on August 26 at the K. of P. Hall.

Minister Gets Horse Meat But Says "No"

OTTAWA, Aug. 13 (CP)—Hon. Douglas Abbott got one of his first tangible rewards for assuming the acting mantle of Finance Minister today when Thomas Bentley (C.C.F., Swift Current) presented him a can of horse meat and gravy.

Rising with a characteristic grin, he thanked Mr. Bentley for the gift and promised that "I shall try it out on my family and see the results."

But he was unable to reimburse Mr. Bentley with any—promised alteration of the Income War Tax Act to aid the Swift Current co-operative that turns out the horse meat for Belgium.

The C.C.F. member told of the trials and difficulties the horse-marketing co-operative had over-

come in establishing a business last fall, which now employed some 125 persons. He urged that it be given tax exemption similar to that given to new co-operatives for their first three years of operation.

There were countless co-operatives in a similar financial position. The legislation might well be back-dated to 1944.

But M. Abbott, his fingers fondling his gift, was unable to be helpful.

"It is felt," he said, "that the provision should not be retroactive."

Ex-Local Sailor Wins at Halifax

HALIFAX, Aug. 13 (CP)—Mel Lumley, former Victoria sailor, won individual honors today in the inter-port track and field championships by collecting 16 points, made up of firsts in the high jump, javelin and discus throw, and second place in the 100 yard dash and 100 yds. H.M.C.S. Scotia took a total of 59 points to win the Garrison Games Trophy. H.M.C.S. Stadacona had 57 and the team from the newly-commissioned destroyer Nootka came third with 36.

Witty Kitty

Housekeeping Hannah says if present shortages continue, Mother Hubbard's cupboard will have nothing on modern larders.

The SNAPSHOT GUILD

PICTURES AROUND HOME

This is a fine example of how a posed picture can retain the excitement and surprise of a casual shot.

ALL of us have our heart strings tied to home. That is why it's so important to keep a lasting record of home and all the family in snapshots.

But when you're taking those pictures of the family remember that one of the major advantages of amateur photography is the chance a small camera offers to snap people on the spot, in action. For that reason good snapshots have an irresistible freshness and appeal.

It's often effective to snap people as you find them, especially when you're after candid pictures. But you can frequently get even better results if you take time to "plan" your pictures in advance, and scout around for a few props if necessary to make the scene even more interesting dramatically. Have all your pictures tell the story.

The above illustration is a fine example of how a posed picture can retain the excitement and surprise of a casual shot. This picture looks as though Dad had just happened to be in the garden, and Betty just happened to have her camera in hand at the moment he went after the latest onslaught of bugs.

The very simplicity of the photograph fools you. Actually, the composition of this picture is no accident—Betty planned it that way. She was careful to see that the flowers she incorporated were just the right height, fine specimens of Dad's prowess as a gardener. She took a position where the flowers cut across at an angle, and posed Dad carefully in relation to it, with his left arm parallel to the line of the flowers and the spray gun forming the other side of a nice compositional triangle.

The sky, of course, makes a beautiful background for informal portraits, and in order to use the sky

Give your meals new flavor goodness—make them more digestible! Add a dash of H.P., the thick sauce with the real, fruity flavor, no cold cuts or tangy salads. Use a little H.P. while cooking clear soups; meat, fish, egg dishes, or spaghetti—H.P. adds lively, tempting flavor!

SPORT-TIPS
by Ace Pearson
Formerly a star athlete, now Canada's top coaching expert, Ace says, "There are many athletes' success is due to right training, not to right eating, but to knowing 'inside' tricks. Here's a way to improve your hitting ability."

Today's Pattern

MARIAN MARTIN
She's a big girl now—she can dress herself in this sunsuit. Pattern 9225. Slips on her shoulders, buttons at waist, then ties in front. Sunsuit and bonnet open out to iron. Pattern 9225 comes in sizes 2, 4, 6, 8, 10. Size 8, sunsuit and bonnet, 3 1/2 yards 35-inch fabric.
Send twenty cents (20c) in coins (stamps cannot be accepted) for this pattern. Print plainly your name, address, style number and size of pattern.
Send your order to The Daily Colonist, Pattern Department, Broad Street, Victoria, B.C. The patterns will be mailed from Toronto.

WHOLE WHEAT helps build muscles. With milk it makes a great team! Kellogg's All-Wheat is whole wheat in its most delicious form—flaked, toasted, ready-to-eat! It's better than All-Wheat is at your grocer's now!
FREE! A picture card in every package of Kellogg's All-Wheat

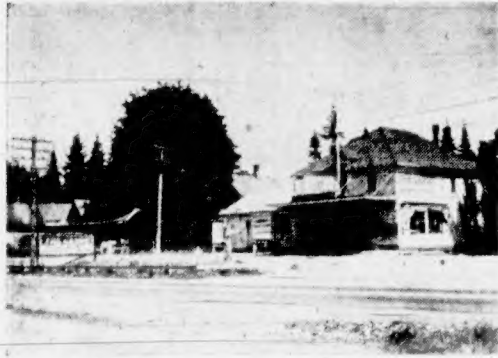

BASEBALL #31 HITTING TRICKS

- FOOT POSITION**
Stand at plate with feet same distance apart as distance between finger tips and elbow. Measure carefully. This is perfect hitting stance. Always use it.
- CHOKE GRIP**
To hit fast pitching, especially in softball, stand back in batters' box and use "choke" grip well up handle, as shown in the illustration above.
- STEP IN**
Before you swing—take short, 6-inch step forward. Place all weight on front foot. Move smoothly. Always keep your eye on the ball. This is important.

Vancouver Island News

Koksilah Centre of Fertile Farming Area

—Colonist Photo.

Centre of the village of Koksilah, two miles south of Duncan on the Island Highway, is shown in the above photograph. There are many fertile farms in the district. To the left is a famous Indian war canoe which many tourists stop to photograph. Population of Koksilah is about 375 persons.

Nanaimo Game Warden Plans To Capture Island Cougars

NANAIMO, Aug. 13.—Frank Greenfield, game warden stationed here, with 20 years' experience, has at last acquired a hound which he expects will lead him to at least several kills of island cougar. The dog was the gift of an American sportsman and came from the famous Zane Grey kennels at Washington, D.C. It is six months old, untrained, and is valued at \$250. Up to the present, the local government agent has paid \$15 bounty on each of 13 cougars killed by hunters and farmers. The usual yearly kill in the district is between 20 and 30, and this number is expected to be reached for the current season before the year ends.

The hound, of no particular pedigree, but of a pronounced bloodhound type with the ears of a bloodhound, and a well-developed body at five months of age, has been found to be the best dog to run down cougars and "tree" them. It has a keen scent and wonderful courage and stamina. The Greenfield family took considerable interest in the dog's arrival by evening boat. They named it "Herbie." Next morning its new owner visited it in the basement and gravely announced on return upstairs that the new dog's name is "Belle." "Anyway, he consoled, 'females make the best hunters.'"

Cowichan Bay To Get Water

First step towards provision of adequate local fire fighting measures at Cowichan Bay, where extensive damage was caused by fire a short time ago, has been taken by landowners in the area.

A provincial order in council handed down yesterday approves incorporation of the Cowichan Bay area into a waterworks district, formed on petition of a large majority of property owners, and without any objections being lodged.

Investigate Fire On Brandon Isle

NANAIMO, Aug. 13.—Government officials from nearby Departure Bay probed the ruins of a large frame building on Brandon Island, which was completely razed by fire last night.

The building was occupied by Japanese fishermen prior to the war. In recent years, it has been used by the Pacific biological station for research in connection with the Dominion Department of Research.

Volunteer workers succeeded in preventing the blaze from spreading, but were unable to save the structure.

Cowichan Wolves Kill Farm Sheep

DUNCAN, Aug. 13.—Timber wolves attracted to Cowichan district by deer roaming in the hills have killed a number of sheep, according to reports from farmers. Several wolves were also sighted by A. Wood, a member of Cowichan Fish and Game Association.

Member 57 Years

CUMBERLAND, Aug. 13.—Andrew Clark, 70, a local miner, is believed to hold a Vancouver Island record for trade union membership. He has held a union card for 57 years.

Mr. Clark first joined a miners' union in the Old Country at the age of 13 years, and received 30 cents per day.

Call Tenders Sooke Office

To meet the needs of increasing settlement of the Sooke district and expected future development, the Provincial Police department has completed arrangements for the provision of permanent office and residential accommodation for the officer stationed in that area.

Now accommodated in private quarters and using a temporary office, Constable A. W. Quinn is soon to make his headquarters in a new frame and stucco building, which will contain living quarters, office and cell accommodation. The building will be erected on a site on the main highway close to Jordan River road.

Tenders for construction of the building will be called this week, and will be opened by Hon. E. C. Carson, Minister of Public Works, at noon on September 9.

Campbell River Club To List Blood Donors

CAMPBELL RIVER, Aug. 13.—Campbell River Rotary Club plans to compile a list of more than 300 blood donors in order that transfusions may be available to victims of industrial accidents.

Locate School Site For Campbell River

CAMPBELL RIVER, Aug. 13.—Trustees of Campbell River School District No. 72, decided the only suitable location for a proposed new school is on a hill near Lourdes Hospital. The site would provide adequate playground space.

Caps Outslug Spokane For 14-5 Win

VANCOUVER, Aug. 13 (CP).—Vancouver Capitanos scored a 14-5 Western International League baseball triumph in the opening game of a three-game series against Spokane Indians here tonight.

Four homers were featured during the game, two by Ray Orteig, who smashed one over the fence with the bases loaded in the first inning, and repeated in the fifth with one on.

The lone Spokane round-tripper came when Short Stog Lou Kublac homered in the eighth with no one on.

Army-Navy Vets Mollies Fastball Winners

Army and Navy Vets took the first game of the men's senior "B" Section "B" fastball finals last night by defeating Chinese Students 7-3. Winners gained their margin of victory with a four-run outburst in the sixth frame.

In the senior "B" "A" section, Mollie's Bar-B-Q tied the semi-finals of their best of three series at one game apiece by defeating Dockyard Civil Service 5-3.

In the women's senior "B" city play-off, Hudson's Bay took the first game of their series with Adverts by a 13-1 count. Duffy's went one up in their best of five boys' juvenile play-off with Oak Bay Athletics by scoring a 10-5 triumph.

Strictly Richter

"You'd think she'd find time to come to her own wedding rehearsal!"

Ask Extension Playground Program Here

A suggestion to carry on into the winter the excellent playground program which has been operated in Greater Victoria during the summer months was presented Monday night at an informal gathering of the Greater Victoria Recreation Council in the Little Centre, 966 Yates Street, by Dr. Henriette Anderson, chairman of the council.

Dr. Anderson offered her services and those of her general secretary, Mrs. C. Buhlin, to any group seeking assistance.

There was an unexpected full attendance of recreation and playground leaders at the gathering, which was held just before the closing of the playgrounds this week.

Among the municipal representatives were Reeve A. G. Lundrick, Saanich, Councillor G. Murdoch, Oak Bay, and Councillor Bishop, of Oak Bay. Alderman F. Mullner represented the city.

Temporary offices of the council are now at 515 Belmont Building, the phone number being G 8713.

It was announced at the meeting that Andre Frere, the noted French actor, would appear at the Little Centre next Monday.

Herbert Warren, parks superintendent, expressed regret that such meetings had not been held years ago.

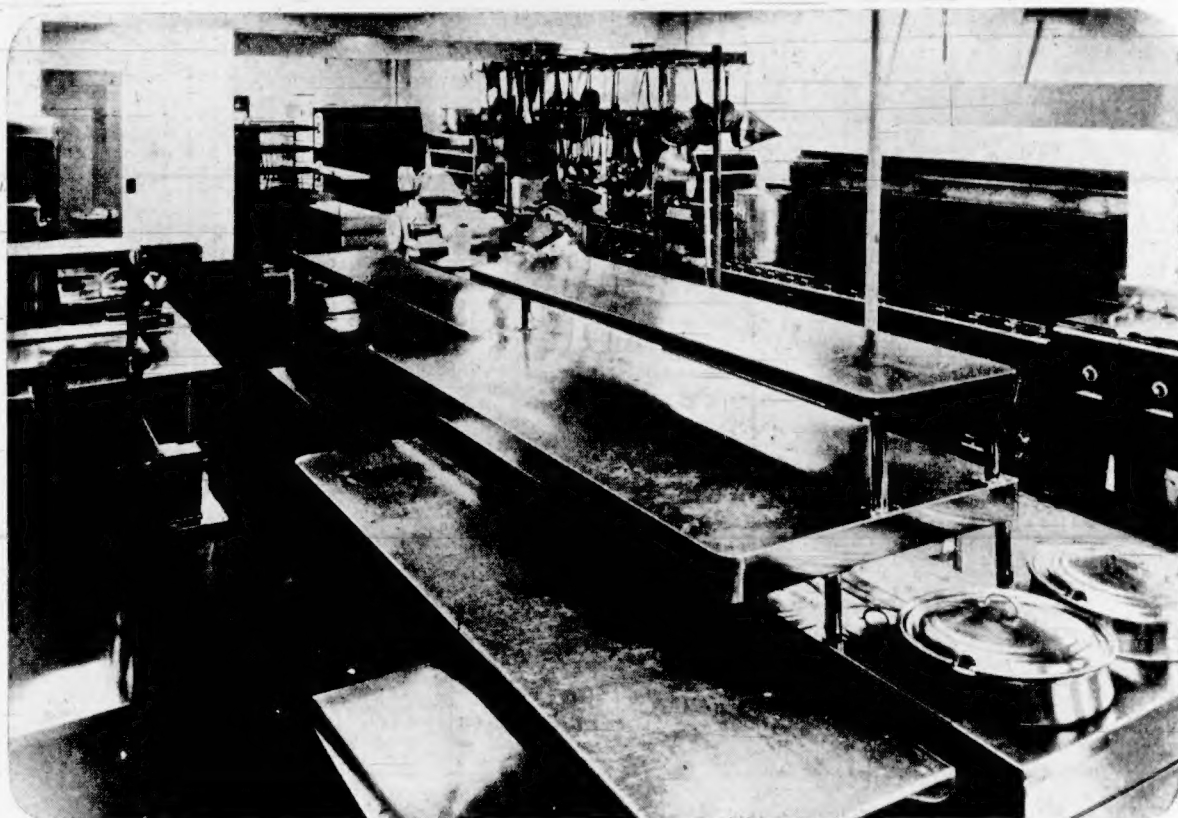

Gordon Hartley acted as master of ceremonies.

George Green Found Dead
NANAIMO, B.C., Aug. 13.—The body of George Green, 70 years old, was found late last night by neighbors on his property at Northfield, three miles north of here. It is believed he died of a heart ailment. There will be a coroner's inquiry.

EDINBURGH (CP).—Thomas McCourt, laborer, sentenced to three months' imprisonment for breaking windows, said "It's hardly worth coming up here for a sentence like that." Witnesses said he liked prison life.

Spencer's

We're Proud of Our New Kitchen

—and With Good Reason

When Spencer's Dining-Room and Tea Lounge were closed for decoration and enlargement care was taken to retain the restful comfort of the surroundings, the Old World charm that has delighted patrons from near and far. But when it came to the kitchen we made a clean sweep.

This new kitchen challenges comparison with any on the coast. Not one single item of old equipment was retained. Careful study was given, not only to what was newest and best—but as to how and where the equipment required could best be fitted into the available space. Many pieces indeed were "hand tailored" to meet our special requirements and as a result maximum efficiency has been obtained, with the greatest possible convenience to the staff.

Gleaming, monel metal and stainless steel have been used wherever possible because of the ease with which it can be kept spotlessly clean.

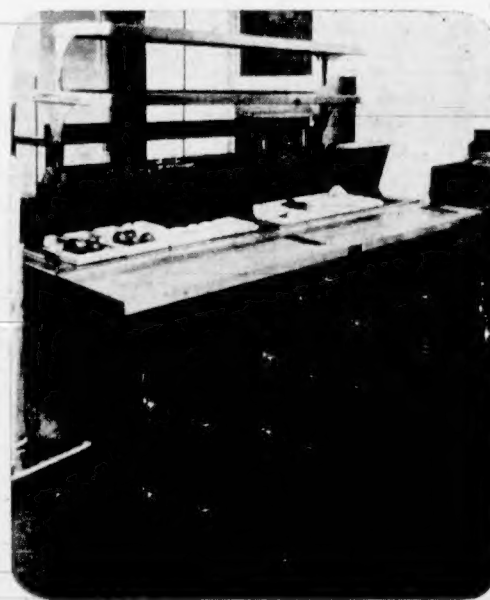

Handling has been reduced to a minimum—the new dishwashing installation, for instance, is completely automatic—dishes, glassware and cutlery each go into their separate units and are cleaned, washed, the water drained, sterilized and dried with no more human effort than the turning of a switch.

Other time and labor savers are the new "walk-in" cooler and the refrigerated salad table with everything required right at hand and kept properly chilled at all times. A newly developed roll warmer keeps both soft and crusty rolls just right, always.

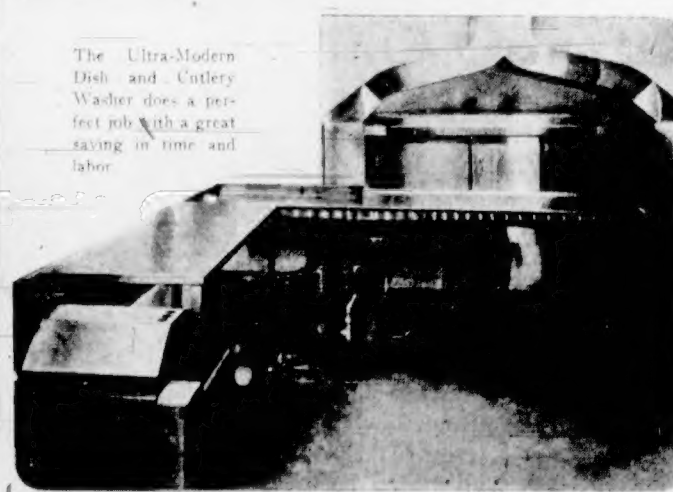

All this and many other improvements have been made to the end that patrons may be sure of the full enjoyment of our chef's skillful preparation of the finest foods obtainable.

The Bakery, where all pies, pastries and cakes served in the Dining-Room and Tea Lounge are prepared.

Appetizing Salads are quickly and easily prepared at this Refrigerated Salad Table.

The Ultra-Modern Dish and Cutlery Washer does a perfect job with a great saving in time and labor.

VICTORIA, BRITISH COLUMBIA, WEDNESDAY, AUGUST 14, 1946

Favorites Advance In Seniors' Golf

Quarter-Finals Reached in Tournament At Oak Bay—Whaley, Eisenhower Win

With the weather man again obliging with good conditions, play in the Seniors' Northwest Golf Association's 24th annual tournament commenced match play in ten sections at the Victoria Golf Club yesterday.

The "AA" class championship has advanced to the semi-final stage, while all others will play their respective quarter-finals today.

The favorites continued to reign supreme in the grand championship competitions, as seven of the eight matches played ended up in decisive victories.

Frank Thomas, one of the two Victorians to qualify for the grand championship, remained a contender by defeating W. H. Abbott, 4 and 3. Tacoma's E. N. Eisenhower, winner of Monday's medal round, ousted J. H. Ballinger, of Seattle, 6 and 5, while defending champion Ralph Whaley scored a 4 and 3 win over A. E. Jukes, of Vancouver, Osh Canadian.

Canadian besides Thomas to weather yesterday's matches in this class was Col. W. O. Swan, of Vancouver. The other local golfer, R. F. Hepburn, was eliminated by D. R. Munro, of Portland, 4 and 3.

Today at the Oak Bay course, Eisenhower will meet G. E. Sullivan, Thomas will meet H. W. Andrews, Whaley will meet G. L. Butterfield, and Col. W. O. Swan will meet D. R. Munro.

Yesterday's results follow:

GRAND CHAMPIONSHIP

E. N. Eisenhower defeated J. H. Ballinger, 6 and 5.

O. Sullivan defeated E. H. Hughes, 2 and 1.

H. W. Andrews defeated Cassius Gates, 5 and 4.

Frank Thomas defeated W. H. Abbott, 4 and 3.

G. L. Butterfield defeated Roy E. Campbell, 6 and 5.

Ralph Whaley defeated A. E. Jukes, 4 and 3.

D. R. Munro defeated H. F. Hepburn, 4 and 3.

W. O. Swan defeated R. R. Mattison, 4 and 3.

CLASS "AA" CHAMPIONSHIP

Joshua Green defeated R. MacKenzie, 3 and 2.

A. L. Dunn defeated R. S. Farrell, 1 up.

W. G. Wilson defeated C. A. Thompson at 19th.

J. P. Paret defeated C. Stranier, 7 and 5.

CLASS "A" CHAMPIONSHIP

J. McCulloch defeated N. Addams, 2 and 1.

R. E. Thatcher defeated M. H. Dobbie, 3 and 2.

J. P. Bell defeated J. Gordon Smith, 3 and 2.

C. F. G. Patallo defeated W. B. Burns, 3 and 2.

W. H. Horner defeated T. B. McPherson, 3 and 1.

W. A. Graeper defeated R. Gardiner, 2 and 1.

F. Comley defeated R. H. Schofield, 2 up.

CLASS "B" CHAMPIONSHIP

J. McKinley defeated B. P. Schwegers, 2 and 1.

John Hart defeated E. L. Carrell, 2 and 1.

J. W. Roggie defeated L. S. V. York, 3 and 2.

P. U. Wolgemuth defeated W. D. Bond, 2 up.

R. H. Lyon defeated T. Homer Coffen at 19th.

W. de Lond defeated J. C. Pen-Gray, 3 and 2.

C. L. McLaughlin defeated D. R. Patten, 2 and 1.

P. W. Blanchard defeated B. H. Callison, 3 and 2.

CLASS "C" CHAMPIONSHIP

E. L. Skell defeated G. D. Poe, 2 and 1.

J. J. Greiner defeated J. C. Matheson at 19th.

L. Lilly defeated J. W. Thompson, 3 and 1.

H. R. Kikover defeated G. A. Braley, 3 and 4.

P. Burnaby defeated F. W. Cutler, 4 and 2.

H. P. Pratt defeated J. M. Meany, 4 and 3.

Leslie Bell defeated J. I. Colwell, 2 and 1.

H. H. Livory defeated K. C. Allen, 2 up.

CLASS "D" CHAMPIONSHIP

N. L. Zimmerman defeated W. M. Leuthold, 4 and 3.

T. Balmer, bye.

W. H. Masters defeated E. Heybrook, 4 and 4.

Homer Frye, bye.

A. C. Turner defeated L. E. Gable, 1 up.

J. Hamilton, bye.

B. R. Trumb defeated J. W. Nichols, 2 up.

C. H. Petheram, bye.

Draw on page 17.

Cordova Bay Club To Stage Sports

The Cordova Bay Community Club will hold another sports day for boys and girls 18 and under today, Aug. 14, at 2:30 p.m.

In addition to various types of races, football games will be played between the Community Club members and the Boys' Club, and the Girls' Club and the lady members of the Community Club. First game will be at 8:30 o'clock, and the second an hour later.

Following the games a beach party will be held around a huge bonfire.

Woodcock Pounds Renet With Vicious Right Hook

Rarely does the camera catch a punch at the split second of impact as it has in this picture as Bruce Woodcock, British heavyweight champion, connects with the nose of Albert Renet during their fracas at Belle Vue, Manchester, England. Woodcock knocked out the Frenchman in the sixth round to add the European heavyweight title to his laurels.

Soccer Star Off to England

Vancouver, Aug. 13 (CP)—Fred Whitlock, centre forward for North Shore United in the Vancouver Inter-City Soccer League, left here today for England, where he will play with Notts County in the English League, Third Division (South).

Whitlock was married last Friday and will be accompanied by his wife.

Dodgers Retain Lead As Cubs Blank Cards

Johnny Schmitz, talented southpaw of the Chicago Cubs, prevented St. Louis Cardinals from moving into first place in the National League today by hurling the Bruins to a 1-0 three-hit triumph over the Red Birds before 27,318 fans at Chicago.

The loss dropped the Cards a full game behind the pace-setting Brooklyn Dodgers whose scheduled night game with the Giants at Ebbets Field was postponed because of rain.

Chicago nicked portlander Harry Brecheen for the lone run of the game in the second inning when Phil Cavaretta walked, moved to second on a sacrifice, advanced to third on an infield out and scored on Mickey Livingston's infield single.

Pittsburgh handed Cincinnati its eighth straight setback, 3-2, on Jimmy Brown's eighth-inning single scoring Bob Elliott.

Dave (Doc) Ferris became the first pitcher to win 30 or more games in his first two complete seasons in the majors since Wes Ferrell did the trick 16 years ago with Cleveland.

Ferris yielded nine hits to Philadelphia, but his mates, paced by Ted Williams and Johnny Pesky, pounded Bob Savage for 11 hits and a 7-5 edge.

Detroit's Dizzy Trout handed

Bobby Feller his seventh loss to 21 victories as the Tiger right-hander blanked Cleveland, 1-0, with three hits, snapping Rapid Robert's six-game win streak.

Chicago assured itself of holding sixth place by noosing out the St. Louis Browns in both ends of the season's first twilight night double-header, 3-2 and 2-1.

The New York Yankee-Washington game was postponed on account of wet grounds, and rain also washed out the scheduled National League tilt between the Phillies and Boston Braves.

National League

St. Louis . . . 000 000 000—2 1 0
Chicago . . . 010 000 001—1 5 0

Batteries: Trout and Tebbetts; Swift, Feller, Lemon and Hegan.

Plays Tonight

The Victoria Amateur Swimming Club will hold a meeting at the Crystal Garden this evening at 8.

Jensen 17 Short Of Whiff Record

In a wire to The Colonist received yesterday, Fred K. Howe, of the News Bureau, stated that the Athletics' fireball ace, Rob Jensen, has struck out a total of 232 batters so far this season, not 241 as was earlier reported.

Thus the big moundman will have to whiff 17 Bremerton batters in tonight's game if he is to break the present W.B.L. strike-out record of 248, set by Floyd Islette, Tacoma, in 1935.

With about five more starts certain for this season, Jensen appears to be a cinch to set a new mark in the strikeout department.

Jokers Practise

Jokers juvenile lacrosse team will hold a practice tonight at Stevenson Park at 7 p.m. All players are requested to attend.

C.P.G.A. to Send Four Pros To Play in U.S. Tournaments

WINNIPEG, Aug. 13 (CP)—Plans to send at least four Canadian professional golfers on the United States tournament circuit are out of the formative stage and practically ready to be launched. The aim is to provide them with the opportunity of picking up vitally-needed tournament experience.

Officials of the Canadian Professional Golfers' Association held a meeting during their 10,000 open tournament here last week and decided to work out final details at their forthcoming annual meeting when the players will be selected and the decision made as to what part of their expenses will be borne by the association.

The move is something the C.P.G.A. has been attempting to do for years but which was prevented by the lack of funds.

UPLANDS GOLF

The Uplands Golf Club's twilight two-ball foursome was played last week with 42 members participating. Peggy Sparks and J. S. Nesbit Findlay were the winning pair, with Mrs. W. Firth and John Walker the runner-up.

Another similar competition, will be staged on August 22, commencing at 6 p.m.

The club "B" championship will be played next Sunday, and any members wishing to enter are asked to place their names on the list in the Pro Shop. Closing date for entries is August 14.

The Victoria Amateur Swimming Club will hold a meeting at the Crystal Garden this evening at 8.

A's Hit Ball Hard To Beat Bremerton

Win Fourth Straight With 14-9 Victory Over Bluejackets—Jensen Hurls Tonight

Coupling snappy fielding with a powerhouse batting attack, Victoria Athletics chalked up their fourth straight win when they defeated the Bremerton Bluejackets, 14-9, last night at the Royal Athletic Park in the first of a two-game series.

With big Bob Jensen on the mound for the game tonight, the "A's" hope to make it two straight before the teams move to Bremerton for the rest of the week to continue the series.

Scoring in every inning from the fourth on as their players fattened up their batting averages, the "A's" were ahead 14-4 going into the ninth when the Bluejackets staged a belated rally and pushed across five runs on the strength of six hits and a walk.

Victoria scored 47 hits off the combined offerings of right-handers John Marshall and "Sad Sam" Gibson, the latter replacing Marshall in the fifth when "A's" scored four runs in three innings. Tony Ferrara was stung with the hits until the ninth when he was relieved by Blankenship. Ferrara gave up 12 walks altogether, four in the first inning, and presented Bremerton's lead-off batter, DeVours, with four free passes.

Bob Stumpf, 20-year-old catcher for the "A's," was a big noise among the swabmen as he knocked out three hits in five times at bat and drove in four runs. The Victoria infield came up with some smart fielding plays, including four double plays, with Pitcher Ferrara figuring in three of them. These were largely responsible in nipping potential Bremerton rallies.

Centrefielder Eddie Murphy pulled off two great catches which brought

applause from the crowd. He also produced the game's only home run, a long smash over the left centre field fence in the fifth.

Canadian Legion Football Club Ready for Season

First signs of Autumn became prevalent last week when the Canadian Legion soccer eleven, readying for their second season in the Victoria and District Football Association, held their organization meeting and set Thursday evening at Macdonald Park for their opening practice session.

Louis DeCosta and George Kulat, who took the club over in mid-season last year, were named manager and coach, respectively, and are already busy rounding up a stellar aggregation for the coming season.

The club will continue to operate under the Canadian Legion central sports committee, although it will be a separate organization.

Jack Field, Malcolm McCaig, Alex McCormick, Glen Robbison, George Leggett and Ken Jones were selected as the executive committee, with Ernie Costain elected secretary-treasurer. Alex (Sandy) Pahl was named trainer.

W.L.L. Raps Tars With \$100 Fine

TACOMA, Aug. 13 (AP)—Western International League President Robert Abel had the last word today in an argument started in Spokane Sunday night and it proved expensive to Bremerton ballplayers and clubowners.

Abel suspended Clarence (Beak) Federmeier, Bremerton pitcher, and Francis Curtis, outfielder, for seven days. He fined the ball club \$100 and Gus Paglia, outfielder-catcher, and Elwood Curtis, second baseman, \$25. First baseman Bill Reese was assessed \$15, and Pitcher Hub Kittle and Trainer Wayne Anderson \$10.

The arguments culminated in a near riot.

Cubs' Catcher Breaks Finger

CHICAGO, Aug. 13 (AP)—Catcher Clyde McCullough, of Chicago Cubs, suffered a broken little finger on his right hand from a foul tip off the bat of St. Louis' Harry Walker today and will be benched indefinitely.

The mishap occurred in the ninth inning of the Cubs' 1-0 triumph over the Cards.

BEING SAVED: This reminds me! Mollé was sure a lifesaver for my barbed-wire beard. Mollé's the best bet for taming tough whiskers.

LIFEGUARD: An' I wanta tell you that Mollé does a swell face-saving job on tender skins like mine. Mollé's special protective film lets the razor float along . . . guards against nicks and scrapes.

Record Year For Motorists

Canadian and American motorists hitting the road for the first time this side of the war are making 1946 the biggest highway travel year in North America's history, George I. Warren, Victoria and Island Publicity commissioner, has reported.

Automobile Association of America well over prewar record volume and United States travel year in North America's history, George I. Warren, Victoria and Island Publicity commissioner, has reported.

This year's motor vacation expenditures in Canada and the United States are expected to pass the \$6,000,000,000 mark, well over the \$5,000,000,000 record of prewar boom travel years. Higher expenses account for part of the increase.

Owners of very kind of vehicle from jalopies to super-limousines either have taken a motor vacation or will take one soon, a survey indicates. Transcontinental travel is sharply on the increase.

Crowded accommodation and aged cars are not holding back the exuberance of the traveling public, Mr. Warren says.

Keeping pace with the stepped-up volume of travel, hotels and motels all over the continent are launching development programs.

How It Started

By JEAN NEWTON

"DESERT"—IT MIGHT BE A JUNGLE!

Today the word "desert" describes a sandy waste, barren of shrub, tree or water and uninhabited. In a sense—in the last sense—this is what the word meant originally. It is, however, only the last sense that has survived from its early meaning. For in the beginning it could easily have referred to an uninhabited forest or jungle.

We have "desert" from the identical old French word meaning "deserted." Originally it meant an uncultivated tract of country, a wilderness which was desolate and uninhabited, or deserted. Hence, in 1808 we find it recorded:

"Place of woods and mountains that bear not sown benedictly deserts."

And in Shakespeare's "As You Like It" appears this typical Elizabethan usage:

"In this desert, inaccessible, under the shade of melancholy boughs."

In the days when America was being settled, when a man spoke of a desert, he referred to a region in which no man lived. It was more apt to be a swampy, wooded area with too much water and no sand at all rather than one with no vegetation and no moisture. The common use of "desert" to describe sand plains such as the Desert of Sahara is comparatively modern, dating back about 100 years.

Keywords for the Day: Decision, discrimination, sympathy.

Wednesday in General—Be aware of background conditions and the sensitive feelings of others. Forenoon trends favor dealings with those in authority, advancement of new and original ideas or projects.

If August 14 is Your Birthdate: "Many happy returns." Famous persons born on this date include: Park Benjamin, journalist, poet and lecturer; Edwin P. Uhl, lawyer and diplomat; Ernest Thompson Seton, artist and author.

Your Year Ahead—Your circle of friends will change for the better.

Twin Arrivals Bewilder Motorman Pa

PHILADELPHIA, Aug. 13 (AP)—

Raymond Macatee, 32-year-old trolley motorman, had his hands full today, replacing diapers on his 14-month-old girl triplets.

In hospital, Mrs. Elizabeth Macatee, 31, was reported "doing nicely." She gave birth to twins, both girls, Saturday.

"If we don't go crazy now we never will," commented the mother. "Papa" was bewildered. "He wasn't positive that it was 'wonderful'."

"Well in a way it is and in a way it's not. It was a big surprise and some shock. I think we've got enough babies around here already," he said.

Besides the triplets he has a son, Raymond, Jr., five.

Before the twins, the Macatees used 200 diapers a week.

"What now?" he asked.

Injured Man Dies On Way to Hospital

Following a motor vehicle accident, Louis Joseph Cantin, 29, died en route to Queen's Hospital at 7 a.m. Sunday. Provincial Police headquarters in Victoria was advised yesterday.

Cantin was injured in a truck accident at Six-Mile Lake settlement on Nazko Road, west of Quesnel. The truck was driven by his brother, Walter P. Cantin, and the accident is believed to have been caused by faulty steering mechanism, but details are not yet available. Cantin's home was in Quesnel.

Control Board Irks McGeer

OTTAWA, Aug. 13 (CP)—The

Government's Foreign Exchange Bill, placing in statute form Foreign Exchange Control Board regulations, was the target for criticism by Senator G. G. McGeer (L., British Columbia) in the Senate today.

Debate on the measure was adjourned by Senator T. A. Crerar (L., Manitoba) after Senator McGeer had moved for a six months' hold and Senator Wilhart Robertson, Government Senate leader, had asked it be sent to a committee for further consideration.

Senator McGeer said he was strongly opposed to the abdication by Parliament of its powers and placing them in the hands of a group of people not responsible to the country.

Sweeping powers were placed in the hands of a group of civil servants with no representation on the Foreign Exchange Control Board for business or the public.

Technically, the act prohibited all exports.

"You can't take your value out of this country unless you have a permit," Senator McGeer said.

"Or your suit of clothes," Senator J. J. Bench (L., Ontario) interjected.

"You can't cross the border unless you are naked," Senator McGeer agreed. "What is this country coming to?"

Importation of any property was banned without a permit.

"Is every tourist crossing our 4,000 miles of boundary to be required to write in advance for a permit so he can come in with his clothes on?" the Vancouver Senator asked.

"He has to have a permit from this new ivory tower."

Legislation of that type gave the Senate an opportunity to demonstrate its place in guarding the freedom of the nation.

Senator McGeer, moving a six months' hold for the bill, said "legislation of this kind should not be hurriedly passed."

Senator John Haig, Progressive Conservative Senate leader, suggested the bill be sent to a committee so a full explanation of the need for it could be heard. Senator McGeer said six months could be spent studying the measure.

"Surely this Senate is not ready to hand over to a group of public officials the control over the whole trade and commerce of the nation," he said.

Senator McGeer said he would fight the measure "to the last ditch."

"We who are Liberals must fight that kind of thing," he said.

Yanofsky Loses Chess Match In Netherlands

GRONINGEN, The Netherlands, Aug. 13 (CP)—Dr. Max Euwe of the Netherlands, former world champion, today defeated Abe Yanofsky, of Winnipeg, in 46 moves in the first round of the international chess tournament.

Yanofsky, 22-year-old Canadian navy veteran, is co-holder of the Dominion championship with Frank Yerhoff, of Regina.

The experts each are scheduled to play 24 games during the next 3 1-2 weeks.

The match will provide the biggest test for Yanofsky, who is not a master as yet. In order to win that rating he will have to gain a certain percentage of victories in a challenge series with one of the recognized present-day masters or defeat a master in an international tournament and finish with a higher average than the man he defeated.

Soccer Players Get Pro Offers

EDMONTON, Aug. 13 (CP)—Three Western Canadian soccer players who played with air force teams at Calgary during the war have received offers from Chicago to play professional football in an American league it was learned today. The league was not further identified.

Two of the players, Bill Ness who played with Winnipeg Irish and Weston and Don Hewlett, are reported to have left Winnipeg for Chicago to look the situation over. The offer was said to be a good one but the contract was only for one year.

Jim Dickie of Edmonton, the third player to get an offer, said he would not take it.

It was also learned that "Major" Sabin, formerly stationed in Alberta with the R.A.F., where he played soccer with Peirhold and Bowden, would return to Canada shortly to play with a team in an Ontario loop. He played professional soccer with Newcastle United.

Scarsella Leads In P.C.L. Batting

LOS ANGELES, Aug. 12 (AP)—Los Scarsella, the fence buster from Oakland, and Hollywood's Cully Rikard were locked in a tight battle for the Pacific Coast League batting lead today.

Scarsella, whose 21 home runs are tops in that department, had a slight edge, with an average of .332 to Rikard's .331. Lloyd Christopher, big gun of the Los Angeles Angels, is tied with Scarsella in homers, but is fifth in batting with a .320 compilation.

Hollywood, fifth in the league chase, has a husky edge in team batting with .263 to .265 for both Oakland and San Francisco, chief rivals in the pennant race.

Little Stories for Bedtime

By FREDERICK W. BURGESS

HAPPY JACK AND CHATTERER ACCUSE EACH OTHER

Whatever faults Chatterer the Red Squirrel may have, laziness is not one of them. He doesn't waste any time about anything. No sooner did he discover that his biggest and best storehouse was empty than he started out to find out who had stolen his supplies. He knew right away who might have done it. There were several of his friends, or his neighbors at least, who could make very good use of just such supplies. There was Happy Jack the Squirrel, and Striped Chipmunk, and Timmy the Flying Squirrel, and Sammy Jay, and Whitefoot the Wood Mouse.

At first he strongly suspected Sammy Jay, but when he happened to think that Sammy could never in the world have reached to the bottom he knew it couldn't have been him. His sharp eyes missed nothing, and presently he discovered a grey hair, caught on a bit of bark.

How the Tongues of Those Two Squirrels Did Go When They Met.

That was enough. He knew then that Happy Jack Squirrel, his big grey cousin, was the one who had robbed him. Chatterer's temper became quite uncontrollable. Forgetting that he had robbed Happy

Jack, he started for Happy Jack's house, vowing that he would teach Happy Jack a lesson that he never would forget.

Half way there, whom should he meet, hurrying through the tree tops, but Happy Jack himself, and no angrier Grey Squirrel ever was seen. You see Happy Jack had discovered two little red hairs on his doorstep, and these had told him all he wanted to know. He hadn't a doubt in the world that Chatterer had stolen his supplies. So he was on his way to teach Chatterer a lesson.

My, my, my, my! How the tongues of those two Squirrels did go when they met! If there was anything bad that Happy Jack couldn't think of to call Chatterer, Chatterer thought of to call him. It was dreadful. It was simply dreadful the way they called each other names.

"You broke into my storehouse and stole everything in it! You red-coated robber!" shrieked Happy Jack.

"You're a thief! a miserable, good-for-nothing grey thief!" shrieked Chatterer in his turn. "Bring back those nuts and that corn you stole from me! Bring them back or you'll be sorry!"

Sammy Jay and all the neighbors gathered round to listen to Happy Jack and Chatterer accusing each other. It was funny. It certainly was funny. You see, each seemed to have forgotten entirely what he himself had done.

Next Story: "Sammy Jay Becomes Judge."

"Here are 6 IDEAS to save you time and work..."

Barbara B. Brooks
well-known Kellogg's Home Economist

"These days every busy housewife is on the alert for suggestions that will help save time and make food go further. That's why thousands depend so much on Kellogg's ready-to-eat cereals, not only for breakfast but to help use up left-overs in new delicious ways. Just see how easy it is to save time and work, and to get extra meals out of your food budget, with Kellogg's."

| | | |
|--|---|---|
| <p>Kellogg's CORN FLAKES</p> <p>This hot weather breakfast is economical — easy to prepare. Kellogg's Corn Flakes with milk and fresh fruit—assures you the family is getting plenty of real nourishment to start the day. Serve it tomorrow.</p> | <p>Kellogg's Bran Flakes</p> <p>Here's a meatless lunch: Baked cheese eggs with tomato slices. Sprinkle devilled eggs with grated cheese and Bran Flakes crumbs, bake about 15 minutes. Your family will love this meatless meal for hot days.</p> | <p>Kellogg's ALL-WHEAT</p> <p>Hungry after school? Let the children help themselves to a bowl of Kellogg's All-Wheat with plenty of milk. Sweet tasting and you know it will give them all the lift they need to carry them over to supper time.</p> |
| <p>Kellogg's ALL-BRAN</p> <p>Try this hostess idea: Delicious All-Bran muffins with iced tea. It's a pick-up treat everyone will enjoy. You'll find the easy-to-make recipe for All-Bran muffins on the side of the Kellogg's All-Bran package.</p> | <p>Kellogg's PEP</p> <p>Consider the lowly hamburger for a main dinner dish. Add crushed PEP, chopped onion and seasoning, for a different, tempting flavour combination. You'd never have believed hamburger could be so good!</p> | <p>Kellogg's RICE KRISPIES</p> <p>Note to icebox-riders! Don't risk upsetting the little woman's food budget. Instead, try a bowl of Kellogg's Rice Krispies, the crispier cereal that stays crisp—will please your palate, satisfy your appetite.</p> |

Today, more than ever, one of Canada's most important foods!

THE world is relying on Canada to help stave off the ravages of starvation in war-torn countries. It's up to you to do your part... by making the most out of all your food... eliminating waste. The six suggestions above are only a few of the ways Kellogg's ready-to-eat cereals can help. Thousands rely on them... Keep all seven delicious Kellogg's cereals on hand.

Kellogg's pioneered ready-to-eat cereals. For over a quarter century, Canadian housewives have known and trusted Kellogg's products. Today Kellogg's is the greatest name in cereals!

Here's shredded whole wheat in an easy-to-eat form! Made from Canadian whole wheat... shredded, crisp, curled... Kellogg's Krumbles have a flavour that's different! Made in London, Canada.

SAVE TIME... SAVE FUEL... SAVE FOOD!

DON'T FACE NEXT WINTER WITH AN EMPTY BIN!

IN ORDER to avoid a disastrous "slack season" in Western Canadian mines this year, you should order your coal today and accept delivery as soon as your dealer can make it. Your immediate order means steady employment at the mines... a constant movement of coal through dealer's yards to household bins. Your comfort next winter depends upon your action today. Order your coal NOW!

THE CITY BROKE

1010 01

Navy Yard at Esquimalt To Shed Air of Secrecy

Esquimalt navy yard, closely guarded for seven long years, with access denied to all but those who possessed the necessary credentials and could pass rigid scrutiny at the gates, is to shed most of its air of secrecy and mystery.

It will not only be possible for the public to visit the yards; they will be encouraged to do it; and to go aboard any naval ships that are in port.

Rear Admiral E. R. Mainwaring, O.B.E., who recently took over here as commanding officer, Pacific Coast, told a press conference yesterday that plans are under way to arrange "open days" at the navy yard when wives and families of naval men and members of the public generally will be able to see what the navy is doing.

"It's their navy, and we shall be only too pleased to have them come," Admiral Mainwaring said.

MAY OPEN ESTABLISHMENTS SATURDAYS AND SUNDAYS

Units, of course, will have to be restricted to out of working hours, but it is probable that when the organization is complete the naval establishments will be open to visitors every Saturday afternoon and Sunday.

One advantage of the opening of the yards will be that wives and

Library Trends Are Studied On Long Tour

Miss Margaret Clay, librarian of the Victoria Public Library, returned to this city recently after a seven-week tour of Eastern Canada and the United States, during which she attended conventions of both the Canadian and American Library Associations and made a study of the latest developments in library work and library buildings.

Miss Clay reported a great variety of new materials for the construction of modern library buildings is being experimented with at the present time and should be released for use within the next few years. Included in the new materials are different kinds of acoustical material and floor coverings.

Lighting is another phase of the construction of library buildings which has made great strides in recent years, she stated. Particularly noted was the large increase in the use of glass bricks, she said. One new building plans an entire wall of this material.

Many libraries propose building auditoriums where educational gatherings of all kinds may take place, Miss Clay found.

AUDIO-VISUAL DEPARTMENT FIGURES IN ALL PLANS

Almost every library visited plans the establishment of an audio-visual department, Miss Clay reported. Here records and films on a wide variety of subjects will be made available. Use of microfilm also shows considerable increase, she said.

Specially built sound-proof recording rooms are planned by some of the larger libraries for housing record collections.

Miss Clay stated most library officials showed keen interest in the regional libraries, such as are operating in the Okanagan and Fraser Valleys and the northern parts of Vancouver Island.

While in Buffalo at the American Library Association convention Miss Clay was elected to the association council as representative of the public library division and was also named president of the Alumni of the Carnegie Library School, Pittsburgh.

Dr. W. K. Lamb, of the University of British Columbia is president-elect of the Canadian Library Association.

Deputy Plans Attend Meet

Col. F. T. Fairley, British Columbia deputy minister of education, and Harold L. Campbell, chief inspector of schools, will attend the annual meeting of the Canada-Newfoundland Education Association in Edmonton next week.

The association is the senior education body in the Dominion composed of deputy ministers and senior school officials from all provinces. Its functions are chiefly along the lines of unification of education programs. Because of restrictions on travel it did not meet last year.

Col. Fairley and Mr. Campbell will leave here Saturday and return August 26.

Picnic at Elk Lake For Daily Colonist

Annual picnic of The Daily Colonist staff members and friends will be held Sunday in the public park at the southern end of Elk Lake. Buses will leave The Colonist office at 12 noon.

Roman soldiers received part of their pay in the form of salt.

Plan to Divide Saanich Hit by Ward 6 Group

Councillor W. C. Kersey of Ward Six and a ward delegation headed by Sydney Pickles, Ratepayers' Association president, told Saanich Council last night that the present plan to split Saanich into urban and rural municipalities would strike a death-blow to the three-year-old Ward Six secession petition under Saanich Relief Act.

The council, on motion of Councillor J. W. Casey, decided to shelve the issue until a full council could deal with it. Councillor Thomas Alexander was absent.

The Ward Six delegation, together

with opposing delegations on the Gordon Head airport question and a number of onlookers, filled all seats in the council chamber.

Mr. Pickles charged that some councillors who held office in Wards Three, Four and Five were pushing the partition scheme because they stood to benefit by real estate subdivisions.

"I want that statement clarified," Councillor George Austin angrily demanded. "I'm the councillor representing Ward Four."

Mr. Pickles declined to name any councillor, but reiterated his general statement. Said the reeve: "I have a farm in Ward Three, but I never uttered my head that it would be subdivided."

It's news to me," said Councillor John Oliver, who farms and represents Ward Five.

"I'd be very careful of those statements," said the reeve.

Partition along the line laid down by the Department of Municipal Affairs would be against the interests of truly rural Ward Six," Mr. Pickles declared.

If the municipality was split, the Saanich Relief Act would no longer be in force, said Councillor W. C. Kersey.

SECESSION PETITION UP FOR THREE YEARS

The Ward Six secession petition had been before the Provincial Government for nearly three years, he recalled, and the ratepayers have complied with the Saanich Relief Act 100 per cent. This line should not be adopted until we get a reply on the Ward Six question," he said.

The reeve recalled the council's previous resolution to take no action on the secession question. Councillor Kersey rejoined that merely by carrying through the division plan, you will certainly kill secession.

"That's not our problem," asserted Councillor J. L. Hobbs.

"If you had any consideration for Ward Six ratepayers, you would not pass the resolution for division," said Councillor Kersey.

"You've broken faith with the elections of Ward Six," said Sydney Pickles to the reeve. "You are technically maintaining you are not attacking secession, but you are actually making an oblique attack upon it."

Reeve Lambrecht had come to Ward Six ratepayers at election time with a pledge to do nothing to impeded secession, he maintained.

That pledge, he said, had been broken. The reeve, however, denied he had made a promise of the kind.

"I move we table this until we have a full council," said Councillor Casey. Referring to the airport decision, he declared: "We've already dealt with one thing when we shouldn't have done."

FUNERAL NOTICE

The funeral of the late Comrade Alfred John, 84th Canadian Siege Battalion, will take place Wednesday morning, August 14, at 10:30 a.m. from St. John's Street, Victoria. Members of the British Columbia Branch of the T. Canadian Legion, B.E.S.L. are requested to attend.

Orchids by Air From South America

A LITTLE bit of the tropics arrived in a cardboard box yesterday for Mrs. Elsie Nisbet, staff pianist at radio station CJVI. Mrs. Nisbet is pictured above wearing two of the six large purple orchids which were sent to her by air express from Medellin, near Bogota, Colombia, by her brother-in-law, Thomas Nisbet. Forest-fresh, the orchids came in a week via Florida, with each stem in a small rubber-capped vial containing water. Mr. Nisbet, a former R.C.A.F. radar man, recently went to the South American country as a departmental manager for Andean Oil Company.

Victoria Civil Servants Draft Recommendations on Salaries

Pay raises ranging from \$10 to \$25 a month or inclusion of present cost of living bonus in present salary rates, a minimum salary of \$125 a month for civil servants not on administrative work, and measures to speed up payment of new employees' salaries are among 11 recommendations made by Victoria and District Council of the Civil Service Employees of Canada.

The recommendations announced by Jack Hedley, president, after a meeting of the council, will be air-mailed to Ottawa for presentation at a meeting of the federal government's national executive in Ottawa Sunday.

Recommendations are:

1. That the present cost of living bonus be included in the basic salary, or failing that, that all salaries be increased, as follows: (annual increases to continue as at present): \$60 to \$70; \$90 to \$100; \$115 to \$125; \$135 to \$150; \$160 to \$175; \$210 to \$225; \$250 to \$275.

2. That all employees be given the same cost of living bonus.

3. That all drivers be classified as civil servants, giving them the full cost of living bonus and holidays, etc., with all civil service rights.

4. That all caretakers be provided with a relief man for annual holidays and be granted an extra day for every statutory holiday worked.

A caretaker should not be required to fulfill his own duties and relieve another caretaker at the same time.

5. That a section be set up at each district treasury office for the payment of salaries. This is calculated to stop the delay in payment of employees' salaries when commencing to work in the Civil Service. Cheques for new or transferred employees now take two months to come through.

6. That the minimum wage of all employees, not on administrative work be \$125 a month, with all civil service rights.

7. That pay increases be granted when recommended and not quarterly as at present.

8. That annual increases be included in promotion to a higher grade.

9. That all employees not on administrative work be placed on a 40-hour week.

10. That all positions be reclassified for grades.

11. That the Government be requested to appoint a Royal Commission for all salaries under the salary reported on by the Royal Commission under P.C. 563, and that this commission be given power to travel over all districts, so that a fair report can be made.

Coffee was first used in a form similar to a chocolate bar, rather than as a beverage.

Noted Author to Write Ballad On Victoria in Unique History

John Murray Gibson, noted Canadian author, is working on a new edition of his "Canadian Mosaic," with amendments and alterations—but he still isn't going to put the Japanese in it.

Here to address Pacific Drama Conference on "Ballad Opera," he left yesterday for Montreal.

The noted author confessed in an interview at the Empress Hotel last night that he had not dared to include Orientals in his list of minority groups in Canada because the subject was "very touchy." And after the late Japanese dust-up, he observed, it is more touchy than ever.

Weather Forecasts

West Coast—Intermittent drizzle with fog on the shore. Northwesterly winds 15 m.p.h. to southwesterly in the afternoon and evening. Little change in temperature.

North Coast—Overcast with rain. Southerly winds 15 m.p.h., becoming northwesterly 15 m.p.h. over Queen Charlotte Islands.

Little change in temperature.

Vancouver and Vicinity—Overcast with light winds. Little change in temperature.

Nelson Placed Under Forest Closure Order

While forest fire hazards on Vancouver Island remained unusually mild for this time of year, Nelson forest district yesterday became the first to be placed under forest closure orders because of extreme hazard and uncontrolled outbreaks.

However, forecasts late yesterday indicated a considerable improvement in the situation in the interior of the Province, and if predicted scattered rains and thunderstorms materialized, the closure may be of short duration.

Not affecting industrial operations, the prohibition travel, mineral prospecting, hunting or camping without written permit over a series of watersheds in the southern part of the Nelson district.

Yesterday, 450 men were fighting fires in the Nelson district, with the worst outbreak near Koch Creek, covering 1,500 acres and blazing uncontrolled, despite the efforts of a gang of 250 fighters.

Minor outbreaks in the Vancouver forest district, which includes the Island, were all under control yesterday.

"Y" Canoe Group Plans First Party

The newly-formed Y.M.C.A. Canoe Club will hold its first canoe party tonight at 7:30 p.m. The club, dispersed in 15 canoes, will be given instructions and then food will be distributed.

A Y.M.C.A. picnic will be held at Elk Lake Sunday. Members are asked to meet at the Coach Lines Depot at 12 noon.

Bob Morrison, program secretary, announced that bowling alleys had been obtained at the Arcade and activities will begin early in September.

The "Y" is being decorated and the gym has been freshly equipped. Mr. Morrison said last night. Also mentioned that both the program and sports departments are planning a great increase in activities for the coming season.

Parade Will Start Field Day in Park

The first annual field day of the Victoria city playgrounds will be held this afternoon between 2 and 4 p.m. at Macdonald Park.

The program will commence with a grand parade and decorated bicycles and will include foot races, bicycle races, dancing, tumbling, a boxing exhibition and a pin-eating contest. Playground crews will be awarded following the sports program.

Arthur Lockley will be chief supervisor and official announcer will be Art Chapman.

AND STATURE

In the Greek theatre, important actors were given added height by wearing built-up shoes.

PUZZLE FOR POSTMEN

Chatham Street, Boston, is numbered by one side and down the other.

KID OF MANY COLORS

No other leather can be dyed in as many diverse colors as kidskin.

U.S. and Canadian Speakers Address Drama Conference

The two-day Pacific Drama Conference concluded last evening with a banquet at the Empress Hotel with Mrs. Nancy Hodges, M.L.A., in the chair.

Earlier in the day delegates witnessed a performance by Mrs. Phoebe McKellar of Westmount, Quebec, at the Victoria Little Theatre, and heard speakers from Seattle, Spokane, Montreal, Vancouver and Victoria.

Alderman F. G. Mulliner, representing Mayor Percy E. George, welcomed delegates at the afternoon session and Miss Kathleen Agnew acted as chairman.

Highlight of the conference session was a talk by Dr. John Murray Gibson, of Montreal, founder of the Canadian Authors' Association and the Trail Riders of the Rockies. Dr. Gibson spoke on "Ballad Opera for Community Centres." He traced the history of the ballad opera form, and explained why he felt it was specially suitable for community theatre groups.

"This is a practical type of play for small centres," Dr. Gibson said. "It is an artificial form but no more so than most existing grand opera."

Dr. Gibson himself has collaborated with Healey Willan and other

Canadian musicians in the arrangement of the gathering on "East." He told of the background of the story, based on the life of an American poet, Johann Faust, through the "Faustballad" legend published in 1885. Marjorie Jones, "The Tragic History of Dr. Faust," which was published in 1904, and Fred Goetz's monumental drama which was completed in 1931, where the first interpretation of the character of Gretchen was seen.

By way of illustration Dean Elliott quoted the final passage from the Marlowe work, and the prison scene from Goethe's tragedy.

Ernest Lawes, president of the West Vancouver Little Theatre, spoke of the gradual growth in social integrity of the acting profession. Miss Jeanette Normandin told of her experience as a rural school drama teacher in Alexandria, B.C. "Psychology of the Theatre Audience" was the topic discussed by Miss Pamela Pearl Jones of Seattle. Mrs. R. P. Irving of the Spokane Little Theatre, added remarks on school drama.

City Hall

Five more letters protesting the nuisance caused by smoke from waterfront sawmills were received at the City Hall yesterday. Residents of the Rock Bay-Burnside area claimed that the smoke soiled clothing and furniture, was injurious to health and made it generally impossible to keep the houses looking attractively and clean.

Thirty-four residents of Emerson Street yesterday petitioned Mayor Percy E. George asking improved public services under a local improvement plan. They asked hard surface sidewalks, better street lighting and opening of an approach to Shelbourne Street.

A building permit was issued yesterday to R. McCourtney for alterations to an apartment at 1160 Burrard Avenue to cost \$1,800.

Minor changes in the specifications for tenders on the Memorial Arena were completed at a meeting of the arena committee and C. T. Hamilton, consulting engineer, yesterday and it is hoped tenders can be called within a month. Ald. R. A. C. Dewar said following the meeting. Changes were made yesterday in the location of the refrigeration plant and in the exits planned for the east side of the building.

The usual immunization clinic Saturday morning will not be held this week, according to Dr. R. A. Snidell, assistant medical health officer. Civic offices will also be closed to allow employees to attend the annual picnic.

The B.C. Electric Railway has requested the City Council to amend the present by-law to allow installation of modern-type gas ranges fitted against walls and to permit stoves without the oven vent required by present by-laws. Modern design of stoves makes both of these regulations unnecessary, it is stated.

G. Powley, 723 Field Street, has written to the mayor protesting the odor of burning rubber, which has been and is very nauseating to him and is a detriment to his health. He pointed out that there was a by-law to prevent the nuisance and asked that action be taken.

The eagle's weight-lifting capacity is estimated at eight to 12 pounds.

T.A.C. Scores Boxla Win Over Jokers

| HOW THEY STAND | W. | L. | Pts. |
|----------------|----|----|------|
| Legion | 6 | 0 | 12 |
| Tilliams | 5 | 3 | 10 |
| Foul Bay | 4 | 2 | 8 |
| Jokers | 2 | 5 | 4 |
| Navy | 0 | 7 | 0 |

Last night's score: Tilliams 11, Jokers 7.

Next game, tomorrow: Foul Bay vs. Legion, Stevenson Park, 6:30 p.m.

Sid Anderson's young Tilliams box lacrosse outfit won their regular league play at Stevenson Park last night by defeating the Jokers, 11-7, in a rugged encounter. The winners now are sole occupants of second place, two points behind Canadian Legion, but Foul Bay and the ex-servicemen still have two games to play.

Last night's contest proved rather slow to the 200 fans present, but what it lacked in good lacrosse was made up in rough-and-tumble play as the gutted-stick artists bumped one another around the enclosure amidst the ever-present dust storm. The referees were lax in some of their calls, two points being drawn four times in the first period with no penalties. In the third quarter, Jokers' Ray Thomas and Tilliams' Larry Booth engaged in an abbreviated skirmish, but were hauled apart before the flats started flying. Jokers led 3-2 at the end of the first quarter, but the Tilliams got the only goal of the second frame to leave the half-time count at 3-3. T.A.C. came through with a five-goal spurge in the third while holding Carney's men to a singleton, to lead 8-4 at the three-quarter mark, then each team scored a trio in the final period.

Line-ups:
Tilliams—Long 1, Scofield 1, McMillan 1, Booth 2, Stewart, Ritchie 2, Winters, O'Connell 1, Hunter, Ryan 1, Gower, Popham, Scott 2, Anderson, Total 11.
Jokers—Gawley, Ovechank, Cummings, Brown, Thomas, Douglas 3, Sage, Coates, Reid 1, Bruce 2, Harding, Scott 1, Lavery Total 7.

Racing Results At Hastings Park

VANCOUVER, Aug. 13 (CP)—Plucky Jake, a seven-year-old black gelding from the stable of Anderson and Field, won the sixth and feature race from a fine field of claimers over the mile and a sixteenth route at Hastings Park here today.

The son of Doctor Joe and Plucky Girl broke steady, took over the lead at the half and managed to hold off repeated challenges to win by a length over Camp Ground and Rural Parade.

Jockey Alex Haller boosted the horse to victory which returned \$5.70 on nose bets, \$3.45 to place and \$2.80 to show.

The horse was also claimed in the race, the local Fairplay Stable obtaining him for \$1,200.

Moose Jaw and Muckin, a pair of odds-on favorites, ran one-two in the seventh race to produce one of the lowest quinellas in Hastings' track history. The combination paid only \$4.80.

Results follow:

FIRST RACE—Claiming, purse \$400, three-year-olds and up, seven furlongs.

Miss Becca (B. Chittenden) 8:15 to \$5.70 \$2.80

King Black (Bingham) 8:30 to \$3.45

Dunham (McGowan) 8:45 to \$2.80

Time, 1:28 3/5. Also ran: Dalnash, Pook, Clover Girl, My Tom, Fairweather.

SECOND RACE—Claiming, purse \$400, three-year-olds and up, seven furlongs.

Miss Becca (B. Chittenden) 8:15 to \$5.70 \$2.80

King Black (Bingham) 8:30 to \$3.45

Dunham (McGowan) 8:45 to \$2.80

Time, 1:28 3/5. Also ran: Dalnash, Pook, Clover Girl, My Tom, Fairweather.

THIRD RACE—Claiming, purse \$400, three-year-olds and up, seven furlongs.

Miss Becca (B. Chittenden) 8:15 to \$5.70 \$2.80

King Black (Bingham) 8:30 to \$3.45

Dunham (McGowan) 8:45 to \$2.80

Time, 1:28 3/5. Also ran: Dalnash, Pook, Clover Girl, My Tom, Fairweather.

FOURTH RACE—Claiming, purse \$400, three-year-olds and up, seven furlongs.

Miss Becca (B. Chittenden) 8:15 to \$5.70 \$2.80

King Black (Bingham) 8:30 to \$3.45

Dunham (McGowan) 8:45 to \$2.80

Time, 1:28 3/5. Also ran: Dalnash, Pook, Clover Girl, My Tom, Fairweather.

FIFTH RACE—Claiming, purse \$400, three-year-olds and up, seven furlongs.

Miss Becca (B. Chittenden) 8:15 to \$5.70 \$2.80

King Black (Bingham) 8:30 to \$3.45

Dunham (McGowan) 8:45 to \$2.80

Time, 1:28 3/5. Also ran: Dalnash, Pook, Clover Girl, My Tom, Fairweather.

SIXTH RACE—Claiming, purse \$400, three-year-olds and up, seven furlongs.

Miss Becca (B. Chittenden) 8:15 to \$5.70 \$2.80

King Black (Bingham) 8:30 to \$3.45

Dunham (McGowan) 8:45 to \$2.80

Time, 1:28 3/5. Also ran: Dalnash, Pook, Clover Girl, My Tom, Fairweather.

SEVENTH RACE—Claiming, purse \$400, three-year-olds and up, seven furlongs.

Miss Becca (B. Chittenden) 8:15 to \$5.70 \$2.80

King Black (Bingham) 8:30 to \$3.45

Dunham (McGowan) 8:45 to \$2.80

Time, 1:28 3/5. Also ran: Dalnash, Pook, Clover Girl, My Tom, Fairweather.

EIGHTH RACE—Claiming, purse \$400, three-year-olds and up, seven furlongs.

Miss Becca (B. Chittenden) 8:15 to \$5.70 \$2.80

King Black (Bingham) 8:30 to \$3.45

Dunham (McGowan) 8:45 to \$2.80

Time, 1:28 3/5. Also ran: Dalnash, Pook, Clover Girl, My Tom, Fairweather.

NINTH RACE—Claiming, purse \$400, three-year-olds and up, seven furlongs.

Miss Becca (B. Chittenden) 8:15 to \$5.70 \$2.80

King Black (Bingham) 8:30 to \$3.45

Dunham (McGowan) 8:45 to \$2.80

Time, 1:28 3/5. Also ran: Dalnash, Pook, Clover Girl, My Tom, Fairweather.

Will Oppose

"Broken Time"

LONDON, Aug. 13 (CP)—Britain will oppose a recommendation to permit payment of athletes for "broken time" if it comes before the meeting of the International Amateur Athletic Federation at Oslo next week.

E. J. Holt, secretary of the British A.A.A., said today.

"Broken time" is the period athletes are absent from their normal jobs while participating in international events.

The proposed change, supported by several European countries, would compensate the athlete fully for the period of absence.

Holt said, however, that Britain would support a proposal to appoint a special committee to consider the revision of rules governing amateur status.

New York Stocks

NEW YORK, Aug. 13 (AP)—Bullish contingents resumed control of the stock market today, and substantial recoveries were enjoyed by selected steels, rubbers, motors, rails, mail orders, oils and a wide variety of special industrials.

The comeback got underway after a fairly active opening—while extreme gains were trimmed here and there at the close, and scattered losses persisted, advances running at 2 or more points predominated. There were a few broader jumps by notably "thin" issues. Low-quoted utilities came out in sizable blocks and helped raise transfers to \$30,000 a day, compared with \$20,000 Monday. It was the best total since July 31.

The Associated Press 60-stock composite was up 4 of a point at 77.6, of 96 registering, 462 rose and 235 declined.

DOW JONES' AVERAGES

Thirty Industrials, 204.51, up 1.15.
Twenty rails, 62.87, up .24.

Montreal Stocks

MONTREAL, Aug. 13 (CP)—Trading directions were mixed in transfers up to the final hour on the stock exchanges and curb market today. Volume was low.

In papers, International, Brown, Donnan, Howard Smith and M. & O. were ahead.

Montreal Power and Canadian utilities were higher in utilities while all others were steady. C.P.R. was stronger and Canada Steamships weaker in carriers.

Industrials were steady to slightly improved. Imperial Oil and Canadian oils posted gains, and Petroleum retreated in refiners.

Everyone's going to the L.P.P. Picnic, Elk Lake, Sunday, August 18.
